

Marlboro Township Board of Education

Mental Health In-District Resources for COVID-19

Hello Marlboro Families,

The mental health of our students and community is so important to us as a school district. We have put together some information that can be used if you have any concerns regarding mental health.

Please click [HERE](#) for Family and Student Mental Health Resources.

Please click [HERE](#) for Mental Health Out of District Resources specifically for COVID-19.

The following is information about our in-district resources you can utilize for our students. These concerns can range from just needing help with the adjustment to our home learning or a serious concern you have that we can assist in addressing.

Please contact us with any of your concerns!

Remember - We Are Marlboro - And That Certainly Means Something!

Section 1: All General Education Elementary Students, including those with 504 Plans, should contact their school counselor for the following:
