<Dear First Name [and Spouse First Name] or [Contact Full Name, Company Name],>

As we begin our 12th academic year, the CLHS Staff and faculty are grateful for the Lord's faithfulness to Crean Lutheran High School. We recognize that our Saints Family is one of His most precious gifts, and we begin this new school year with high expectations. As we prayerfully press on in our mission of *Proclaiming Jesus Christ through Excellence in Education*, we are anticipating a year filled with His amazing plans and purposes for our CLHS students and families.

At Crean Lutheran High School, as at virtually every private school in the country, tuition does not cover the entire cost of educating each student. At Crean Lutheran, we endeavor to pursue excellence in all that we do and to be a beacon which shines the light of Jesus Christ in a world of spiritual darkness. To that end, the **Saints Annual Fund** provides ongoing operational support for a well-rounded and spiritual education in academics, athletics, and performing arts. It significantly enhances our students' 4-year journey by supporting the many unique programs that define the CLHS Experience.

As we begin this new school year, we invite you to make the **Saints Annual Fund** a top priority for your charitable giving. Will you accept the challenge to help increase the amount we raise from the annual appeal by 5% over last year's appeal? Every gift counts and every student's future is blessed by your gift!

The 2018–2019 school year is full of promise and I invite you to look with us toward the future as you consider the impact of your gift to the Saints Annual Fund:

- CLHS sent out 182 graduating seniors in June 2018 to colleges and universities around the world where we pray they will carry the love and knowledge of Jesus Christ with them as they excel in preparing for their future careers.
- Our faculty have formulated strong lesson plans with first-rate technology and curriculum and are ready to help our students pursue their academics with 78 advanced courses, 21 AP courses, 25 dual credit courses, and 32 honors courses.
- Our coaches have new tools within the state-of-the-art Strength and Conditioning Center to mentor our athletes to *press on toward the goal to win*, with competitiveness, integrity, and humility.
- Our performing arts teachers have the necessary space and studio amenities to disciple our artists to worship the Lord through visual arts, music, dance and drama.
- This year, CLHS will send out nearly 75 students on three international mission trips to share the Gospel and more than 600 students to participate in local service outreach projects.

Thank you in advance for making a generous investment for the future of Crean Lutheran High School through the Saints Annual Fund. May the Lord bless you and keep you in His perfect care and peace.

In Christ's service,

Jacquie Antoun
