Kajaun Cummings, Assistant Principal

Brian Childs, Assistant Principal

Welcome to the new school year. My name is Marcy Clay and I am the proud Principal of Hogan Preparatory Academy-Elementary. In just a couple of weeks your child/children will be walking through the doors of Hogan Preparatory Academy and will be part of our community of learners. The staff is so excited about our new location and will be very busy getting classrooms ready for students and learning.

On August 7th from 3:30 p.m. to 7:30 p.m. we will have our Open House. We hope that you will stop by to see the building, meet the staff, see your child's classroom, and obtain other important information.. For those that have not completed the enrollment process, our office staff, Mr. McCullough and Ms. Garcia, will be on hand to assist you with that.

Parents please know that you are a valued and essential part to the success of our students and school community. Your support and involvement in Hogan are key to ensuring that our school is an effective learning community and that we are partners in building the foundation of our students to be middle school ready. Please continue to check our website for updates about the opening of the school year.

Again, welcome! I look forward to seeing you on August 7th and throughout the school year. I am honored to be part of the Hogan community where **ALL** strive to build positive relationships that support the social-emotional and academic development of our students. In closing please allow me to share lyrics from a Donna Summer song entitled the "Power of One".

The power of one begins with believing

It starts in the heart and flows through the soul and changes the world

Imagine how life will be

When we stand in unity

Each of us hold the key to the

Power of One

Sincerely,

Marcy Clay

Principal

Hogan Preparatory Academy is a premier college prep district developing educated, compassionate, self-motivated leaders who prepare for life-long career options and give back to their community.
