Welcome Parents!

Here is where you will find all the information about your first grader’s distant learning curriculum.

On our website you will find links that contain the information that you need for your child to be successful.

The links are labeled by Subject & Parent Information.

- Parent Information- where student assignments & resources that you will find helpful in the planning and organization of your student(s) day during this time of distant learning. Also contains a parent checklist for time management
- Specific Subjects- Resources for lessons, tools, and online books for your student.

The lessons for the week are located in the Student To Do List. These items will help guide you through the lessons:

1. To Do List- Lessons and time management for each subject
2. Reading- Resources for your student.
   a. Comprehension resources are those that ask questions about the story of the week.
   b. Phonics resources are those that deal with letters and sounds
3. Math- Math Resources for your student to complete.
4. Art/P.E.- Resources that your student may complete.
5. Science/Social Studies- Resources & Links for your child to follow to complete.

If you have any questions about the assignments or lessons, please do not hesitate to ask. We are here to help!

Thank you for your support,

The First Grade Team
