

# A-C Elementary Announcements

2018-2019 School Year

## Title I Information

Title I is a federally funded program to provide supplemental help to students in the basic skills of reading and math.

### Title I - Parents Right to Know

Parents of student attending any school receiving Title I funds may request information regarding the professional qualifications of the student's classroom teachers, including, at a minimum:

\*Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.

\* Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.

\*The baccalaureate degree major of the teacher and any other graduation certification or degree held by the teacher, and the field of discipline or the certification or degree.

\* Whether the child is provided services by paraprofessionals and, if so, their qualification.

If a parent would like to view the state qualifications and licensing criteria, or view a specific teacher's certification or degree held in Minnesota, you can access the MDE data bases at <http://education.state.mn.us/mde/index.html>. Click on the Just for Parents Tab.
