Action Plan for the 2018-19 School Year Presented to Board

Assistant Superintendent of Curriculum & Instruction Vikki Curry presented a detailed action plan for the 2018-19 school year to the COCISD Board of Trustees on Tuesday, Aug. 28.

“As a district, we have work to do,” said Curry.

After an overview of the rating system and campus scores, Curry discussed campus audits and data reviews that revealed pockets of areas where COCISD students struggle, mainly English and Language Arts at the elementary and junior high levels.

The action plan includes

curriculum alignment with a focus on targeted areas that need improvement.

A team of instructional coaches will provide trainings for teachers in TEKS Resources, small group instruction, and literacy circles, as well as instructional content, lesson planning and delivery.

The plan includes a focus on targeted areas that need improvement and training teachers in proven methods of instruction that are effective.

3rd Annual Golden Trojans Reception set for Friday, Sept. 7

Calling all Golden Trojans! Join us at 10 a.m. on Friday, Sept. 7, for the 3rd Annual Golden Trojan Reception and Fall Season Preview at the Jones Educational Complex, 125 FM 1514 in Coldspring.

Enjoy performances by the Trojan Band, cheerleaders, and Trojanettes Drill Team. Athletic Jim Bird will be on hand for the Fall Sports Season Preview, followed by a Q&A session. Refreshments will be provided.

Creating
Opportunities

The vision of COCISD is Creating Opportunities for All!

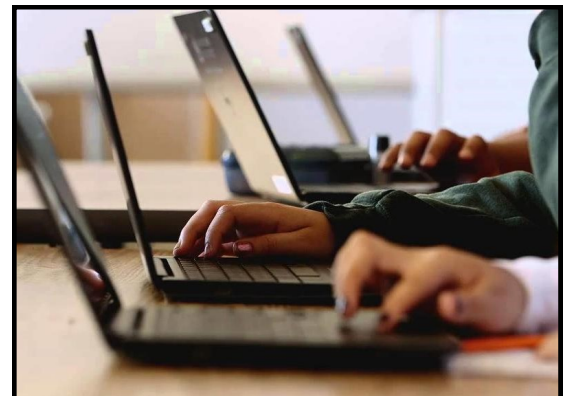

Did you know?

- Every COCISD student will get free breakfast and lunch this year thanks to the district qualifying for the Community Eligibility Provision (CEP) of the federal breakfast and lunch meal programs.
- James Street Elementary has a free clothing pantry available for all students in Pre-K through 5th grades. Donations of gently used clothing in children's sizes are welcome and may be dropped off at the JSE front office during regular school hours. For information contact the campus at 936-653-1187.

Coldspring-Oakhurst High School offers Chromebooks 1:1

Coldspring-Oakhurst High School students can check out Chromebooks to use for their entire high school career as part of the new 1:1 computer loan-out program. Designed to equip students with skills they will need in a technology-driven work force, the program provides computers they can use both at school and at home. No internet at home is required as long as students work on downloaded projects.

Chromebooks are available for checkout at the high school library. Students and their parents/guardians must complete a form and submit a \$50 (or \$20 down) deposit for checkout.

The Chromebook checkout program offers students the ability to have a computer to work on projects, both at home and at school. Home internet is not needed as long as the students work on downloaded projects.
