

Position: Math Teacher - 2018-2019 School Year

Company: Partnership Academy

Job Description:

Partnership Academy has a strong commitment to culturally and developmentally relevant instruction for all students. Through a highly collaborative culture, Partnership Academy teachers work in grade level teams to provide differentiated and hands-on instruction using a co-teaching model. Partnership Academy requires its teaching staff to constantly improve their instruction in ways that directly impact students' academic, linguistic, social, and emotional growth.

Classroom teachers collaborate in a grade level team with an Emergent Bilingual (ESL) teacher, an Intervention Teacher, and Special Education Teachers and Associate Educators as needed. Through weekly professional development sessions, formal and informal observations, and frequent feedback, classroom teachers are encouraged and motivated to constantly push themselves to perform at the highest standards. We are looking for a classroom teacher who can collaborate effectively to provide excellent academic and social instruction, as well as stay highly engaged with collaborative teaching and mentoring systems of support.

Teachers in this position must also ensure they develop or use curriculum that supports Minnesota state standards, collaborate with teachers and support staff, effectively collect and interpret data to guide instruction, provide individualized instruction based on student needs, partner with families and guardians to support students, and establish a strong culture of learning.

Qualifications:

Minnesota Teaching License required

Spanish speaker preferred but not required

Experience working with culturally and linguistically diverse students preferred

Please send a copy of your cover letter, resume, 3 letters of recommendation, copy of your teaching license and Partnership Academy's Employment Application (link below) to hr@paschool.org.

Partnership Academy is a public charter school located in Richfield. The school provides exceptional learning opportunities for students in preschool to 6th grade (expanding to 8th grade by 2020-2021) who live in Richfield and the neighboring communities of Bloomington and south Minneapolis. PA students benefit from data-driven instruction, a well-developed English Learner program, high-interest specials classes, and an After School Program. The PA community takes great pride in its recent academic successes, students' service work, and the school's partnerships with various organizations and individuals – all of which help to make PA exceptional. Learn more about the good things happening at PA by visiting the school's website, www.paschool.org.
