### School Description

Live Oak Elementary School has an enrollment of over 600 unique and culturally diverse students in Transitional Kindergarten through sixth grade. Our school is situated on a picturesque 12-acre site located in the southeastern part of Fallbrook, near historic Live Oak Park. Live Oak Elementary has an impressive focus on strong academic achievement, student leadership, and a staff committed to meeting the needs of all students. Live Oak teachers are reflective, research driven practitioners that construct and use an array of assessments, data results, and instructional resources to structure engaging learning opportunities for its students in a compassionate, student-centered environment. As a Franklin Covey Leader in Me Lighthouse school, Live Oak students are engaged, take responsibility for their learning, and respect themselves and others in a safe learning environment where high standards, leadership goals, and a growth mindset are of greatest priority. We believe in building strong relationships with students and families, and parent involvement is of great importance and directly connected to our success at LOE.

At Live Oak, we practice Positive Behavior Intervention and Support practices (PBIS), and equip our students with problem solving skills to facilitate social and emotional success. We strive to ensure that all of our students will become high school graduates who are self-confident and skilled citizens, ready to embrace college and career goals through hard work and perseverance in the 21st century through collaboration, communication, critical thinking, and creativity. Our strong focus on STEM and hands-on learning sets us apart from other school districts, and gives our students the advantage they need to be contributing members of a global society. As a professional learning community, we have implemented the California State Standards using a common instructional framework, while maintaining a needed focus on our English language learners. The Live Oak staff remains committed to providing differentiation and individualized learning through small group instruction, a focus on best practices, relevant and engaging instructional strategies, and a strong connection to families and community.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Textbooks are recommended by District academic committees which have representation from all school sites. A public review of proposed adoptions is advertised, and community members are invited to participate in this process. All students are assigned adopted textbooks. In Fallbrook Union Elementary School District each pupil, including English learners, has access to his or her own copy of the Standards-aligned textbooks (approved by the State Board of Education) and instructional materials in the core curriculum areas of reading/language arts, math, science, and history-social science to use in class and to take home. All textbooks are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Visual and performing arts are taught to all students through integrated lesson plans during regular curriculum instruction.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Live Oak Elementary School has 34 classrooms as well as auxiliary rooms including a library, multipurpose room and cafeteria. All classrooms, library, offices and staff lounge have upgraded technology and internet access. The custodial staff has developed a cleaning schedule to ensure a neat and orderly campus. The district maintenance staff ensures that the maintenance necessary to keep the school in good repair is completed in a timely manner. A work order process is used to ensure services and emergency repairs are given high priority. A complete and thorough facility inspection is done annually to identify future areas to address and prioritize facility needs.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	39.0	47.0	56.0	57.0	48.0	50.0
Math	36.0	35.0	44.0	45.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	22.7	14.8	9.1

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2018-19)

Live Oak Elementary is committed to working with our parents to extend and enrich the school experience for all students. We believe in providing parents and families with regular communication through our school website, Peachjar flyers, "all calls," social media feeds, and our weekly communication folders. Opportunities for parents to engage in the school are outlined annually in our site parent involvement policy. We welcome parents on our campus and annually offer a "Meet and Greet" before school begins, a Fall "Back To School Night," student-led parent conferences, Coffee and Conversation with the Principal, a "Leadership Day," Family STEM events, and a Spring "Open House." We offer a variety of parent volunteer, education, and engagement opportunities at our site. We encourage parents and community members to join the Parent Teacher Association (PTA), and to participate by attending various school committee meetings such as School Site Council (SSC), English Learner Advisory Committee (ELAC) and Lighthouse Leadership Meetings. For more information regarding parent involvement opportunities please contact the site administration or your child's teacher.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Each Fallbrook Union Elementary School District site completes a Comprehensive School Safety Plan (CSSP), including a disaster preparedness plan annually. School administrators work closely with local law enforcement, fire department and/or the Provost Marshall's Office on Camp Pendleton who review the plans and also participate in emergency drills, provide feedback, attend site and district safety meetings and collaboratively help to improve overall campus safety, climate, and security. Copies of the Comprehensive School Safety Plans are available for review at each school office. The plan includes emergency procedures for school safety, natural disasters, and campus intruders. It also contains appropriate strategies and programs that will provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety. Students, teachers, and staff are trained to prepare for a wide range of emergency situations, and frequent drills help to refine emergency skills, policies, and procedures at all school sites. Following each drill, specific and intentional feedback is sought from all participants to continually improve emergency procedures, and improve campus safety.

Finally, school and district administrators immediately investigate threats of harm. Teachers and administrators seek to foster lines of open communication so students and parents feel comfortable reporting inappropriate activity including bullying, harassment, or threats. All FUESD staff take a strong stand against threatening behavior or bullying and investigate complaint matters fully. Many positive programs exist districtwide to enhance and continually improve school culture and climate, including Positive Behavior Intervention and Support, Restorative Practices and Trauma-Informed Practices.

\* Number of classes indicates how many classes fall into each size category (a range of total students per class).

**Professional Development provided for Teachers**

FUESD provides research-based professional learning to support the effective implementation of standards-based curricula, instruction, and assessment. During the 2018-19 school year, all teachers continue to be supported in their effective discernment in applying the District's instructional framework which encompasses: Direct Interactive Instruction (DII), the 5 Es (Engage, Explore, Explain, Elaborate and Evaluate) Model of Instruction and Project Based Learning (PBL). All school sites have full-time Teachers on Special Assignment (TOSAs) whose focus is to provide job-embedded coaching and direct teaching in Science, Technology, Engineering and Mathematics (STEM). The TOSAs also co-plan and co-teach hands-on, conceptual lessons in Mathematics and Science in Innovation Labs at all K-6 and K-8 schools. New, Next Generation Science Standards (NGSS) units will be implemented with STEM TOSA support and with new FOSS curricula in Grades K-5. All Science units in Grades 6, 7 and 8 are NGSS aligned. All teachers are supported in their implementation of new supplemental curriculum, Lingual Learning, to teach English Language Development (ELD). All teachers have attended standards-based training in California State Standards Mathematics and English Language Arts, and are in the fourth year implementation of an online planning tool, Lessoneer. The district is in the second year partnership with Discovery Education/STEMformation to support our efforts to redesign teaching and learning with a systematic, comprehensive approach for creating and implementing personalized and inquiry-based STEM classrooms. Every school site also developed site-specific professional growth plans that are aligned with the FUESD Blueprint for Student Success 3.0. Each Wednesday is a shortened school day devoted to structured teacher collaboration and planning. All teachers and classified staff have been trained in the District's student and adult leadership initiative, The Leader in Me, based on Stephen Covey's work in developing the "7 Habits of Highly Effective People." Staff members attend training outside of the district facilitated by highly trained and respected professional educators to support the effective implementation of instructional initiatives. During the 2018-19 school year staff attended professional development in the areas of Reading Comprehension, Writing, STEM and Strategic Learning Practices for Elevating Achievement. All teachers are required to attend a minimum of 30 hours of professional development each year.

## **Types of Services Funded**

- Title I (Basic Grant)
- Title II (Part A)
- Title III (for Limited English Proficient Students)
- Title III (Immigrant)
- LCFF (Supplemental/Concentration)
- Migrant
- Special Education
- National School Lunch Program

## **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
