

Placentia-Yorba Linda Unified School District

1301 E Orangethorpe Ave

Placentia, Ca 92870

Good Day Parents and Guardians,

Starting with the 2017-2018 school year, PYLUSD began using Clever to provide students with a dashboard of buttons to access online applications. Students login to the Clever dashboard at <https://clever.com/in/pylusrd> with their district email address of StudentID@pylusrd.org and password. The picture below is an example of what the Clever dashboard looks like. An application is started by clicking its button. The dashboard for a student will only show the buttons that the student can use.

The QR Code below will launch the PYLUSD Clever Dashboard.

The following is a description of each button:

- 1) Aeries Student starts the Aeries Portal for Students.
- 2) Benchmark starts the website for the grades K-5 English language arts and development textbook.
- 3) Big Ideas Learning starts the website for the grades 6-8 math textbooks.
- 4) Illuminate Student starts the website for students to take online district assessments.
- 5) iReady starts an English language diagnostic program for all students K-5 and specific students at grades 6-8. It is only to be used at school and prevents access outside of school hours.
- 6) iStation starts a language instruction program used by the Glenview Dual Language Academy.
- 7) Learning.com starts the website for technology instruction for elementary school students.
- 8) Holt McDougal Online starts the website for the grades 6-8 English language arts and development textbook.
- 9) Naviance starts a college and career guidance system used by the high schools.
- 10) Rosetta Stone starts a language instruction program for English learners in grades 2 and above.
- 11) StudySync starts the website for the grades 9-12 English language arts and development textbook.
- 12) Renaissance Learning assesses student progress learning to read. It will not allow students to login from home.
- 13) Shmoop starts a test preparation system for ACT, PSAT, SAT, and AP exams.
- 14) Ticket to Read starts a fun learning environment where students practice reading skills.
- 15) ThinkCentral starts the website for the grades K-5 math textbook.

For assistance or questions, please email the Technology Helpdesk at helpdesk@pylusrd.org or call 714 985 8733 between the hours of 7am – 4:30pm.
