Bibb County Schools Parent Visitation Day

Bibb County Schools will participate in this year's first Parenting Day on Tuesday, October 16th. The theme for the day is **"Home & School Partnerships: Creating a Culture of Leaders"**. Students will attend on this day as a regular school day. A special schedule of parent activities is planned at each school. We hope parents will take advantage of this opportunity to visit their child's school and participate in some of the planned activities. **Unless otherwise noted, anyone who would like to schedule a conference with their child's teacher should call the school and set up a time in advance.** We appreciate parent interest and look forward to your participation.
