Dear Parents/Guardians of Room 26 Students,

Welcome to fifth grade! I have many goals for your child this school year, including being ready for middle school and learning how to be organized for success. One way you can help your child be more successful is by providing your child tools they can use this year. Unfortunately, the local control funding formula (LCFF) does not give Castlebay Lane Charter an adequate budget for school supplies.

If you can donate any of the items on the list, it is greatly appreciated!

Best

Mrs. O'Rourke
