This compact outlines how parents, school staff, and students at Pleasant View Elementary will share responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the state's high academic standards.

School Responsibilities

Pleasant View Elementary will:

- ❖ Ensure all students will receive at least 90 minutes of Language Arts and 60 minutes of Math instruction daily from classroom teachers.
- ❖ Provide Language Arts and Math instruction that is geared to their academic level either through flexible grouping or differentiated instruction of grade level standards. Placement and instructional levels are based on assessment results.

Students are supervised by a highly qualified Title I paraprofessional or licensed classroom teacher during RtI.
- ❖ Hold general education meetings at teacher or parent requests based upon academic concerns and/or movement to Tier III in the RtI process.
- ❖ Provide parents with frequent reports on their child's progress.
- ❖ Provide parents with access to contact teachers and all paraprofessionals that work with their child. (765-759-2800)
