

Dardanelle Middle School
School Improvement Plan 2020-2021
Board Approved on March 9, 2020

<p>Current Mission and Vision: Mission: Dardanelle Middle School's mission is to create lifelong learners and globally responsible citizens through a partnership of student, families, staff, and community. We want to inspire all students to apply the knowledge, skills, and attitudes necessary to become creative problem solvers to achieve personal success and to contribute to our diverse and dynamic world. Vision: At Dardanelle Middle School, we will LEAD our students to be Life-long learner, Empowering them to inspire and apply knowledge, Achieve personal goals, and Develop responsible global citizens.</p>	
<p>Needs Assessment Data: We have conducted a needs assessment survey for parents, students, and teachers. From that data we have decided to focus our efforts on parent, teacher, and student communication and improving math scores by providing more extensive math intervention for students in need of support.</p>	
<p>Goal 1: To increase communications between parents, teachers, and students</p>	<p>Actions and Timeline: 1. Implement a digital Student Success Plan (SSP) in 7th and 8th grade. 2. Teachers will improve parent contact by contacting at least 2 different parents each week to check the SSP.</p>
<p>Goal 2: Identify students in need of support in math and provide them with the best instructional strategies for intervention</p>	<p>Actions and Timeline: 1. Grade-level math teachers will meet weekly to discuss students who are in need of support in math. 2. Students who are in need of support in math as identified by core classroom teachers will attend "Homework Club" every Wednesday during advisory in a designated grade level teachers classroom to get extra assistance with math.</p>
<p>District Support Needed:</p>
