2018

Welcome

Please feel free to contact us with any questions or concerns you might have at mrthompson@myschoolace.com OR mrspashby@myschoolace.com.

Music

November is a time of year that the students will express their thankfulness through song and activities. We will also continue working hard on our Christmas program music, including motions and special readings.

Our November Composer of the month is Ludwig Van Beethoven.

Important Dates:

December 7: Clothing check for Christmas program, details will be sent home soon

December 21: Christmas Program Day (Attendance is mandatory for the Christmas program and counts as a test grade for each student. If your student will not be in attendance for any reason, please let me know ASAP.)

During the month of November, students will:

- Practice Christmas program music and Bible verse
- Learn about Ludwig Van Beethoven and listen to compositions by him

Technology

This month in Technology class our elementary students will learn about the Gnu Image Manipulation Program, which is similar to Photoshop. We will learn about concepts such as layers and have an overview of some photo editing tools. We will attempt to create a fantastic picture featuring a remote location using a green screen. We will also create an anaglyph- the type of picture viewed through red and blue 3d glasses.

Don't forget to practice typing for 15 minutes each week!

Language

This month in Language, we will learn about:

- Present Tense Verbs
- Past Tense Verbs
- Future Tense Verbs
- Helping Verbs
- Irregular Verbs
- Persuasive Writing

Students will continue to read *Little House on the Prairie*, a novel based on the author's childhood in the northern Midwestern United States during the 1870s and 1880s. The students will be tested on comprehension and will discuss and answer chapter study questions.

STEAM

The STEAM lab has been full of energy as the students built pumpkin elevators, catapults and Spider launchers this month. They also used geometry and painted leaves with variegated colors and acute angles.

In the next few weeks we will be focusing on working in groups to use engineering to solve some Thanksgiving related challenges.

History

This month in History, students will learn about the following:

- Electoral College
- Evangelical Christianity
- Executive Branch
- State and Local Government
- Washington, DC
- Precedents of President Washington
- Political Parties
- American Government
- Natural Resources
- Louisiana Territory
- Lewis and Clark
- Branches of Government
- Democracy
- Thomas Jefferson

Test dates:

- 10/16 Chapter 2 Test
- 11/13 Chapter 3 Test
