ONLINE REGISTRATION FOR RETURNING STUDENTS

NEW STUDENT REGISTRATION

Online Registration for the 2020-2021 school year is now open!
Please complete this process for each child that you have enrolled at Robstown ISD.

1st day of school is Wednesday, August 19, 2020.
Once you enter your login and password you should see a home screen with messages and upcoming events. On the Home tab (left side of screen) you will see Returning Student Online Registration for 2020-2021. Click on this to see your student or click on the message screen in the middle that shows Go to Returning Student Online Registration for 2020-2021 for child’s name.

The District Message announcing online registration will be in the middle of the screen. To the right, you will see the 17 or 18 steps. Step 1 has 4 parts that must be completed. Each time you verify a step, please hit the complete step and move to next step. When this is done, you should see a green check mark by the ones that have been completed.

**Be sure to use full screen mode so that you can see the full screen. You can exit at any time.**
Follow instructions at each step and click on complete step 1a and move to step 1b when done. This will move to the next step and will show a green check mark beside the one completed.

Keep going through each step and verifying or adding/deleted information as needed. Once you get to the end, make sure to click on the Submit Returning Student Online Registration for 2020-2021. There are 18 steps for grades 9-12 and 17 steps for all other grade levels.

Upload required documents. Contact the campus attendance clerk if you are unable to upload documents.
After this step, you should receive an email showing that you have completed online registration. This must be done for each of your returning students.

If you need to make changes or upload additional documents, click on Mark Returning Student Online Registration for 2020-2021 as not completed and make changes. Proceed to make changes as needed.
