

Panther Post

December 2018

Principal's Message

Happy Holidays Park Families! How exciting to commence another holiday season with all of you! This is a month filled with much activity, both academically and socially, so please make sure to look over our calendar as I would not want any of you to miss anything. I am excited to inform you that our new Librarian, Nicole McElhose has joined Park's staff! She is eager start sharing her love of reading with our all students. I wish you all a joyous holiday season and look forward to health and happiness for us all!

Warm Regards, Dr. Molina-Solis

Ms. Lily's Corner

During the week of December 17, Ms. Lily will be hosting Winter Wonderland crafts with students. Encourage your children to join her as she leads festive art activities during lunch recess. As always, the Panther Spaw will be open on scheduled days for our students!

PTA Announcements

PTA's biggest fundraiser of the year is coming on January 17th... The Jog a Thon! This year, PTA joined forces with Boosterthon to plan an even more successful day! As you see family and friends during the holidays, please inform them of the fundraiser!

SAVE THE DATE: Founder's Day Dinner is set for March 1st at 6pm! Park had 2 full tables last year and it would be great to have similar representation this year!

Student of the Month

For the month of December, our teachers will be looking for students who are Collaborative. Collaborative students will participate in think-pair-share, peer-review, or group projects and are accountable to the group for the overall success of the activity. Some skills involved with collaboration are time management, project planning, good communication, and sharing or receiving feedback. Collaborative students also know how to delegate responsibilities, share and respect diverse views, take risks, and develop a personal voice and perspective. These are vital lifelong skills to help your children see success as adults!
