## Coldspring-Oakhurst High School Bass Team heads to State

Our Coldspring-Oakhurst High School Bass Team is celebrating a great year, with four teams advancing to the Texas High School Bass Association State Tournament, set for May 11th-12th on Cedar Creek Lake.

“Members of the COHS Bass Team have had a successful season, finishing the year as a team in 6th place out of the 47 schools in our area that make up over 300 teams,” said Sponsor Ashlie Taylor.

Six of our eight teams advanced to Regionals on Lake Somerville, with four of those teams advancing

to State. The teams include: Gage Tyson/Payton Dill, Corey Calvert/Tyler Husband, Clayton Currie/Marshall Wood, and Weston Davidson/Hunter Thomas.

The team of Gage Tyson and Payton Dill placed 5th at Regionals, earning a \$1,000 scholarship.

One of several highlights of the Bass Team’s year was when Tyler Husband caught the Big Bass at the tournament on Lake Conroe.

## COHS National Honor Society seniors train for leadership

Coldspring-Oakhurst High School NHS seniors attended a leadership camp at Forest Glen in Huntsville to learn team-building and leadership skills. They participated in activities designed to teach them how to work together to achieve goals.

## Did you know?

- Texas has a compulsory attendance law that requires students between the ages of 6-19 to attend school each day that instruction is provided, with a few exceptions. Additionally, the law requires students to be in attendance at least 90% of the days classes are offered, in order to receive credit for a class. School districts are required to notify parents/guardians if students are at risk of losing credit for a course because of excessive absences. For an online overview of Texas attendance requirements go to [www.cocisd.org](http://www.cocisd.org) > Resources.
