

Community Relations

Parent/Guardian Involvement

The Governing Board recognizes that student achievement and conduct improve when parents/guardians are involved in the education of their children. Principals and teachers shall communicate frequently with the home in ways that encourage parental response. Teachers shall provide advice and directions that enable parents/guardians to help their children review and reinforce the skills that are being developed in class. The Board encourages parents/guardians to serve as volunteers in the schools and to attend student performances, parent/guardian meetings and Board meetings.
