

BOARD REPORT

Randolph Field Independent School District

January 24, 2018

School Board Recognition Month

The people who make up the Randolph Field ISD Board of Trustees are uncompensated and, all too often, unsung for their efforts. Board members volunteer their time because they care about their communities and about the children in the community. RFISD Board members were given gifts of appreciation from the students and campuses they serve, were thanked by various student organizations such as FCA, NHS, and Student Council, and were provided a meal by the MS. We want to say thank you to the Randolph Field ISD Board of Trustees- Patrick Luna, Vanessa Bowden, Jimmy Cornelius, William Morrison, and Monique Slater for their support and dedication to the faculty, staff, and students.

RFISD Board Approves Resolution Exempting Employees from Weather Absence

The Board of Trustees voted unanimously to exempt all employees from making up the absence on January 16, 2018 due to the winter storm that hit our area. In making the decision, the board recognized the hard work and dedication that all RFISD employees give to the students, and the outstanding performance of our staff. We appreciate the board's confidence and want to thank them for recognizing our efforts.

Board Receives Annual Performance Report

The Board of Trustees held its annual public hearing for the TAPR (Texas Academic Performance Reports). Mrs. Bendele, Associate Superintendent of Curriculum, Instruction, and Accountability, reported that RFISD remains well above the state average in most indicators, including SAT and ACT scores. She also reported that advanced scores continue to improve across the district. The students and teachers of RFISD are to be commended for their continued success on state mandated exams.

Superintendents Contract Extended

The Board of Trustees conducted the annual superintendent appraisal and voted to extend Superintendent Lance Johnson's contract through January, 2023.
