STEP 3 **Review Final Course Selection** **and Submit Form to Seminar Teachers!**

Once classes are selected – review your form for completeness. All contact information, teacher signatures and parent signatures must be included prior to submission or your form will be returned. Forms can be turned in to seminar teachers any time during the registration window, but all forms must be returned by Wednesday, February 27th. We recommend making a copy of your form for your records.

Counselors will meet with every student to review course selections starting in March.
