

South Lake High School Drills Completed 2019/20

House Bill No. 4713 requires that each school year the following number of drills shall be run.

- Five (5) fire drills are required. If weather does not permit fire drills to be held at least once a month, than 3 fire drills shall be in the fall and 2 drills held during the remainder of the year with reasonable spacing between them.
- Two (2) tornado safety drills are required. At least drill shall be conducted during March.
- A minimum of three (3) lock down drills must be conducted per year. At least one (1) must be conducted by December 1 and at least one (1) after January 1.
- At least one (1) drill must be during lunch or recess period or any other time that a significant number of students are gathered outside the classroom.
- By September 15, 2017 the chief administrator of a school that operates K-12, or his designee, shall provide a list of scheduled drill days for the building to the county emergency management coordinator appointed under section 9 of the emergency management act, 1976 PA 390, MCL 30.409.
- Drills must be posted to the website within thirty (30) school days after the drill is completed and maintained for three (3) years.
- Drills must NOT be scheduled to interfere with the State mandated testing.
