DROP OFFS AT SCHOOL

In part because we are teaching your children responsibility and the natural consequences of both planning and preparation, the school will NOT accept drop offs in the office of any item that your student forgot to bring to school with them, including but not limited to: jackets, backpacks, lunches, water bottles, instruments, homework, library books, any student work and projects. (*Certain exceptions may apply.*)

CAMPUS ACCESS

During the regular school day, once the final tardy bell rings each morning, the school gates will be locked and the only access to campus will be through the school office.

All visitors and volunteers to the campus must check in at the office first. You must sign in and be issued a visitor badge to wear while on campus. Please sign out when you are ready to leave. This is for the safety of your children and visitors in case of an emergency. Please note, prior to working on campus or assisting in any and all school activities including, but not limited to field trips, classroom visitations and parties, book fairs and grade level theme days, all volunteers must have completed the volunteer registration form and have a current TB clearance form on file in our health office. Children, who are not Camino Grove students, **may not** accompany parent volunteers or visit campus during school hours.

DISASTER PREPAREDNESS POLICY AND CHECKOUT PROCEDURE

Our Emergency Preparedness Plan has been developed to ensure the safety, care, and feeding of your child(ren) in the event of a disaster and you are unable to get to school for several days.

IN THE EVENT OF AN EARTHQUAKE OR OTHER DISASTER, PLEASE DO THE FOLLOWING:

- * The student pick up area is on the playground. The parent, or someone listed on the Emergency Card, should come to the Sixth Avenue playground gate.
- * Look for the sign indicating "STUDENT REQUEST". Complete the STUDENT EMERGENCY RELEASE FORM and give it to the staff member.
- * Your request form will be taken, verified with the student's emergency card, and your child(ren) will be located at their classroom assembly area.
- * Then proceed to the "STUDENT RELEASE" area where you will be reunited with your child(ren). You will be asked to sign your child(ren) out.

PLEASE REMEMBER . . . The Safety and Security of everyone is our goal.

IMPORTANT:

1. Sixth Avenue is our emergency vehicle access. Please do not double park, block driveways, park in a red zone or in front of fire hydrants. Also, be sure not to inhibit the flow of traffic on Sixth Avenue.
2. Please, do not search the campus for your child(ren). We have designated search & rescue teams that will complete this task in a most efficient, predetermined manner.

Camino Grove Parent Handbook

3. Please, do not remove your child(ren) without signing them out at the "student release" gate. This is extremely important as we might send a search team to find your "missing" child(ren), when actually your child is safe at home with you. This can unnecessarily endanger the lives of our search team and waste valuable time.

4. When you get to school, please be prepared to wait. We must document who takes your child(ren) and where they plan to go. With this information, should you, your spouse, or any designated friend or relative come to the school and find that the child has been released, we will be able to tell you what time the child(ren) were released, with whom, and their destination. Your extreme patience will be required and greatly appreciated! Be prepared. Explain your family emergency plan to your child(ren). For example, who might be picking them up in a disaster, how long it may take for you or another designated person to get to them if a disaster should occur. If you should have any questions or concerns regarding the disaster plan at Camino Grove, please contact the Principal or the School Office Supervisor.

INDEPENDENT STUDY

Independent Study is available to all students who must be out of school **five** or more days. Independent Study allows the child to have a program of study that is similar to classroom study but is located away from the usual school classroom. Parents should speak to Mrs. Heltsley in the school office, a minimum of one week **prior** to the absence, to sign up for this program. You may email Mrs. Heltsley at kheltsley@ausd.net to sign up as well. It is very beneficial for a child to be on Independent Study if he/she must miss school because this program provides the opportunity for an uninterrupted educational program. Independent Study also permits the district to collect regular state funding even though the student is not in class. Independent study is considered an excused absence. (For additional information regarding this program, please see page 3 – “Absences” section of this handbook.)

LUNCH POLICY

Students may bring a lunch from home or they may purchase a hot or sack lunch prepared by Nutrition Services. If you would like to put money on your student's lunch account, please make your check out to A.U.S.D. Nutrition Services for any dollar amount and return it to the School or Nutrition Services Office. Please be sure to include your student's full name and student ID number on the memo portion of your check. Online payments are also available by going to www.ausd.net. Click on the “e-Funds Online Meal Payments” link and then follow the instructions.

Arcadia Unified School District - K-8 Healthy Lunch Guidelines:

In an effort to create safer schools for all children, to help students develop an increased awareness of their own responsibility in making healthy nutritional choices, and to meet state and Federal mandates to school districts regarding nutrition, the PTSA and the Arcadia Unified School District have adopted the following guidelines for grades kindergarten through eight.

Rationale: Many students must follow diets that are restricted because of food allergies, religious beliefs, or other reasons. In order to protect student health, sharing food is therefore not permitted. The district provides a variety of healthy lunch selections each day. The lunch selections served at school must meet specific nutritional guidelines. The guidelines assure your children are being provided with a healthy and nutritious meal.

Camino Grove Parent Handbook

Guidelines: For these reasons the AUSD, PTSA, and administration have committed to work together to promote healthier food choices at school. Whether a child purchases a meal at school or brings one from home, the PTSA and AUSD wish to promote a safe and healthy lifestyle.

In support of the desire to promote safe schools and healthy children, the following Healthy School Guidelines are adopted:

- Students should develop an increased awareness of their own responsibility in making healthy nutritional choices
- Students may purchase their lunch at school through the school's cafeteria or bring a lunch from home with them in the morning.
- Student lunches should promote healthy choices. Candy and soft-drinks do not meet the food guidelines set by the state for The Healthy Meals Act, and should not be included in lunches brought from home.

Due to SAFETY concerns:

- **Parents are not to bring lunch to their children** during the school day.
- Students may not have lunch delivered to school by outside vendors.
- Students **may not share** any food items with other students.
- Students may not provide food to other students.

No child will be allowed to go hungry. If a child forgets their lunch, they shall be provided with a lunch by the school and be given the opportunity to pay for it at a later time.

Please be aware, providing special lunches for groups of students is not an appropriate school activity.

BREAKFAST

Beginning at 7:50 a.m., breakfast is available for a nominal charge prior to the start of the school day. Choices include fresh fruit, milk, cold cereal, English muffin, bagel & cream cheese, etc. Students who qualify for free or reduced meals, are charged a reduced rate.

PARENT-TEACHER CONFERENCES

A parent may request a teacher conference any time during the year by contacting the school office or sending an email or note to the teacher.

Camino Grove Parent Handbook

APPOINTMENTS

Please attempt to schedule appointments after school. We realize some offices are unable to accommodate requests for specific appointment times. When an appointment is made during the school day, please inform your child's teacher via email or a note, so that your child can be ready at the appropriate time.

PARTIES

The Arcadia Unified School District policy permits **two** room parties each year. Your cooperation is appreciated in adhering to this policy because when one room has an additional party, through the thoughtfulness of a parent/guardian, other classes feel disappointed their class is not doing the same. The same is true if parents recognize their child's birthday by sending gifts, special lunches, or "goodies" to school. We will be unable to distribute these items to the classroom. **(Party invitations, which are addressed to less than the total class membership, may not be distributed at school.)**

SAFE ROUTES TO SCHOOL

To enhance our school safety plan and to further provide a safe and secure environment for students, we will only use the Camino Grove Avenue (front of school) entrance for dropping off and picking up students. The Sixth Avenue gate is locked at all times. Please adhere to the following arrival and pick up times:

Arrival Times:

7:50-8:22 a.m. All Grades

Pick Up Times:

The following information is provided to assist you in developing a home to school route for your child. The City of Arcadia provides crossing guards located at the following intersections:

- Sixth Avenue and Camino Grove
- Encino and Camino Grove

Students who live south of Camino Real should cross Camino Real at Sixth Avenue and proceed north to Camino Grove Avenue and the school entrance.

Students who live north of Duarte Road should cross Duarte Road at Santa Anita Avenue using the crossing guard or at the signals located at First Avenue, Second Avenue, or Fifth Avenue. When is a Child Sick Enough to Stay Home???

A few simple rules can help you make that call.

It's 7:00 a.m. and you're trying to get everybody dressed, fed and out the door. Suddenly you hear a small voice that stops you in your track, "I'm sick...I can't go to school." With the clock ticking you try to diagnose the problem: Fever? Aches and pains? Cough? Upset tummy? Now you have to decide if your child really needs to stay home from school.

Unless the symptoms of an illness are obvious, such as a fever, vomiting, diarrhea, the decision ends up being a parent's judgment call. The parent has to know his or her child and know how the child acts when sick. If your child physically doesn't look well or they're not their normal spirited self, it may be a good idea to keep them home for a day and let them rest.

If you still can't decide, here are a few simple guidelines:

- Children with a temperature of higher than 100 degrees should stay home from school. They should not return to school until they have had an unmedicated normal temperature for 24 hours.
- Children who have been prescribed antibiotics for contagious diseases such as strep throat, tonsillitis, bronchitis or pneumonia should not return to school until they have taken the medication for 24 hours.
- Children who are vomiting or have diarrhea should stay home. The 24 hour rule is a good guideline here also.
- When symptoms are mild and vague—"I don't feel good" or "My tummy hurts"—they will probably perk up once they get to school.
- Parents should make sure "sick days" are not appealing. Staying home sick should mean staying in bed—either sleeping, reading or playing quietly in bed. Children who are rewarded with TV, videos or special treats could quickly learn to prefer home to school. We want children to want to come to school.

Helpful hints for keeping our kids well:

- Washing hands is the single most important thing they can do. A child who hasn't washed their hands can pass germs along on a pencil or through a group activity.
- Parents and teachers should instruct children to turn their heads and cough into the crook of their elbows. This method reduces the transfer of viruses and bacteria through our hands. Do not cough into your hands. If the child should cough into their hands, please remind them to wash their hands.
- It is important that your child eats 3 meals a day,...this includes breakfast. Many students have come to school with a headache and/or stomach ache, and the majority of them are due to lack of food. Breakfast is the most important meal of the day; please be sure your child is not skipping it.

One more reminder:

- **Please keep the phone numbers on your child's emergency card updated.** In the event of an emergency, it is important that we have a current phone number to reach a **local** parent, relative, or friend. Fax numbers are not acceptable.

MEDICATION AT SCHOOL

Any medication taken by students during the school day must be kept in the health office in their original containers and administered only by authorized office personnel. Medication must be brought to the office with a signed *Physician's Recommendation for Medication* form (available in the office), which states the name of the medication, amount to be given, and the time it is to be administered. The medication remains in the office and the child must come to the office at the designated time(s) for administration. This includes all prescriptions, inhalers, aspirin, cough syrup and over the counter medications, both oral and topical, etc. Please do not send any medications to school with your child to take on his/her own. These must all be kept in the office for the safety of all of our students.

UNIFORM POLICY GUIDELINES

A. Compliance

Students are expected to wear uniforms daily unless circumstances beyond their control prevent this. A note from the parent/guardian explaining the circumstances is expected that same day. If a student is not in uniform and does not have a note or an exemption, the parent will be contacted by phone or written notice.

B. Exceptions

Students are excused from wearing uniforms in the following instances:

1. When a student wears the uniform of a nationally recognized youth organization such as the Boy Scouts or the Girl Scouts on regular meeting days.
2. When a student's parent or guardian has secured an exemption from the uniform policy by following the procedures set forth in Section C.

C. Exemptions

1. Request by mail or in person an Application for Exemption from Uniform Program. The parents may obtain an application from the school office.
2. Complete the application in full and submit it to the Principal.
3. Meet with the Principal to discuss uniform policy and parent/guardian's objections to the policy. The purposes of this meeting include (a) ensuring the parents understand the reason for the uniform policy and (b) verifying the accuracy of the information on the application. The Principal will then approve or deny the request for exemption.

PARENT PARTICIPATION

PTA

Every adult is encouraged to join the PTA (Parent Teacher Association). PTA membership information will be available at Roadrunner Day. There are many opportunities for parents to become involved in school and education. (Examples: Book Fair, Carnival, Room Parents, Red Ribbon Week, etc.) PTA meetings are held monthly in the multi-purpose room. "Caminotes", our school newsletter, is posted on the school website (cg.ausd.net) and Peachjar; it contains information concerning PTA and school activities.

PARENT VOLUNTEERS

Parents are encouraged to participate in their child's education by volunteering in one or more of the following areas: Library Media Center Aide, Art Docent, and classroom volunteer. These activities, which depend on parent volunteers, enhance the educational programs that Camino Grove provides our children. **REMINDER:** Every parent who interacts with the children on the Camino Grove campus must have a current TB Clearance and Volunteer Application form on file. TB Clearance forms are good for four years. Contact the school health office to see when yours expires.

SCRIP

SCRIP is sold by the Arcadia Educational Foundation (AEF) to raise funds for educational equipment and technology for our schools. Scrip is a gift card/certificate sold to AEF by vendors at a discount and then sold to parents at face value. In other words, it costs parents **nothing extra**, but the benefits are immense. SCRIP may be bought in the school office every day. SCRIP orders may only be sent home with your child if prior parent authorization is given. Otherwise, orders must be picked up in the school office by a parent or designated adult.

Additionally, parents may support the SCRIP program by using Scrip Club, ShopWithScrip.com or signing up for eSCRIP. The school office has additional information about these programs. ShopWithScrip.com offers the opportunity to purchase scrip for vendors that are not normally stocked in the school office and eScrip is where your supermarket, debit and credit cards may be linked to AEF and the school receives a percentage of all purchases. Scrip Club allows you may receive a monthly scrip order directly from AEF and still benefit Camino Grove.

2. The ball must bounce only once in the square and then that player hits it to another square.
3. The ball must bounce before being hit to the next square.
4. The ball must be struck with an open hand
5. Waiting players line up against the wall out of the way of the game being

Camino Grove Parent Handbook

played

6. Stepping on or over the intersecting lines is a foul, causing the player to be out (except when stepping out of your own square).
7. Players rotate towards Square 1. Only the person who is out leaves the game. New players enter at Square 4.
8. Square 1 is always the server.
9. If the ball hits on a line, it is an out for the hitter. The hitter must leave the game.
10. If the ball is made to bounce over the opponent's head, it is an out for the hitter. The hitter must leave the game.

A player who commits any of the fouls listed above forfeits the game to his opponent. Play stops immediately after a foul has been committed.

Scoring:

The game is won by the player who first winds the rope completely around the pole or by forfeit in the case of a foul committed by an opponent. After a player has won 2 consecutive games his turn is over and he moves to the end of the line. Two new players begin the next game.

Hopscotch

Each player has a marker. The first player tosses their marker into the 1st square. The marker must land completely within the designated square without touching a line or bouncing out. If not or if the marker lands in the wrong square, the player forfeits their turn.

Camino Grove Parent Handbook

The player who tossed his marker successfully now hops on one leg through the court landing in each unoccupied square and returns to the square with his marker in it, bends over while standing on one leg in the previous square and picks up the marker. Then hops in that square and finishes the court.

If while hopping through the court in either direction the player steps on a line, misses a square or loses his balance and falls, his turn ends. The player does not get credit for completing that current sequence and must start that sequence again on his next turn.

The player who first completes the entire court successfully wins the game.

Ball Wall (Punch ball) Rules

The goal of the game is to strike (hit or sock) the ball in a downward motion so it bounces on the ground then hits the wall.

Basic Rules:

1. 2 people on the court, the remaining player gets to serve (winner from previous game).
2. The received must return the ball (no outs on a serve).
3. The ball must bounce before the player hits it.
4. After the player hits the ball it must bounce before it hits the wall.
5. The first person in line is the judge if there is a question about a call.
6. Line up on ONE side of the court, OUT of the court.
7. "Black Line", essentially cutting, is not allowed.

A player is out if...

1. The ball doesn't bounce before hitting the wall.
2. The ball doesn't bounce before the player hits the ball.
3. The ball bounces more than once.
4. The ball hits the very corner of the wall and ground.
5. The ball does bounce inside the lines after it hits the wall.

Camino Grove Parent Handbook

Here are some helpful hints to make things run smoothly while your child attends Camino Grove School:

1. Plan on dropping off and picking up your student 10 minutes earlier than usual. Most parents/guardians tend to get here at 8:20 a.m. and 2:30 p.m. Remember, the earliest drop off time is **7:50 a.m.** and the latest pick up time is **2:50 p.m.** every day except early release Wednesdays when pick up should be made no later than **2:00 p.m.**
2. Look for important information on the Camino Grove website (cg.ausd.net), Peachjar, the school marquee and in your student's take home folder or backpack. Remember to look at emailed List Server messages sent from Camino Grove and the school district, listen to phone blast messages, check the online Events section of the monthly menu and read Caminotes, our PTA's newsletter. Keep your email address up to date with the school office.
3. After school recreation is provided by The City of Arcadia and is cancelled on some rainy days and minimum days. If you have questions regarding **their** program, please call: (626) 574-5113.
4. **Each day** your student is absent, please e-mail kheltsley@ausd.net or call the office at (626) 821-8353. We will need their name, room number, and reason for absence. Please do NOT send a note if you emailed or called. If you know in advance that your child will be absent for 5 days or more, please email kheltsley@ausd.net or call Mrs. Heltsley at (626) 821-8353 and ask for an Independent Study contract.
5. Try to make medical and dental appointments after school. Also, please make after school arrangements **before** dropping your child off at school. We need to help our office staff and teachers by minimizing unnecessary interruptions.

Thank you very much!
