

FUTURES

Career Corner	Futures	Job seeking skills and career development activities led by counselors and teachers to help you prepare for the world of work.
Career Panels/Presenters	Futures	Volunteers from the FTC academic departments or the community discuss working in specific career
College Planning	Futures	Franklin Towne's counselors will present on various topics related to post-secondary planning and preparation for FTC graduates.
College/Career School/Military Presentations	Futures	Presentations by representatives/recruiters from various post-secondary options (colleges, technological schools and the military
Department Workshop	Futures	Each week the math, science, English, Social Studies, and Specials department will present on topics in the designated field. The purpose is to educate students in the subject areas beyond the class room. Faculty members will run sessions that allow students to consider different career choices or topics that are related to current events in the news.
Find Your Grind	Futures	Finding your grind is more than finding careers that interest you. This is a program that helps you determine how to live your best, most fulfilling life. FYG is an ongoing program that provides activities across many topics including finding... yourself, your options, your grind, your opportunities, your balance, and your financial protection. Each session presents a real life topic/activity to help you develop your life plan.
Harbor	Futures	This exciting character education program uses a video series with sports action star Mike Smith. Each session will present a different video showcasing tangible life-lessons and real perspectives from real people that will help you achieve greater success in the outside world. Each video contains rich, raw and engaging content, and student lead discussion.
Mentors	Mentors	Towne Mentors help make the transition into FT more seamless for the freshman class.
