Smiles for a Lifetime Center Now Open in Hampton School District One

Hampton One students without a dental home can now receive dental services within the school district this year. A parent or guardian must sign a consent form before a student will be able to receive services.

The district is seeking a used car or van so that transportation can be provided from the schools to the dental clinic. If anyone is interested in making a donation of a reliable vehicle for this purpose, an appropriate tax deductible letter can be provided to the donor.

To receive a dental consent form or for more information, contact Jack Hutto at 803-903-1007 or jhutto@hampton1.k12.sc.us, or call the **Smiles for A Lifetime Dental Center** at 803-903-1448.
