

Ja'Kyla Briscoe

I would like to nominate Ja'Kyla Briscoe for the Senior Award for Spanish 3. She is an extremely dedicated student that excels no matter what life throws her way. Her quality of work is fantastic and she has a real passion for learning Spanish. She actually wants feedback on her work and wants to improve based on that feedback. I am extremely proud of her and that is why she is my nomination for April Student of the Month.
