

Remote Learning Expectations

- Students can expect a full school day of learning filled with both instruction and assessment. Students should expect these Remote Learning days to encompass the same amount of time as a normal school day.
- Teachers will utilize the FACTS LMS and a number of other tools for interactive and daily instruction.
- All teachers will post assignments on the LMS by 8:00 a.m. each day.
- Teachers will be accessible (via computer) during normal school hours. See the schedule for times.
- Students will be expected to actively engage in daily instruction and complete all assignments by the established deadlines given by their specific teachers.
- Apps will be pushed for individual classes. In order for your iPad to receive the apps, it will need to be charged and turned ON. If you do NOT see an app your teacher has asked you to use, please follow these steps:
 - 1. Restart your iPad
 - 2. Do a hard Restart by holding down the Power + Home buttons at the same time until the Apple logo appears
 - 3. Reset by going to Settings, General, Reset (next to last option on right), Reset All Settings.
- Should you have technical difficulties, please submit a Tech work order via the St. Joe website. Select Contact Us, Technology Help Work Order, begin at the section titled "Contact Information" all the way to the Submit button.
- Counselors will be available to assist with academic advising. Students are recommended to contact them via email.
- Counselors will continue academic and college advising as well as processing any type of scholarship or transcript requests.

Teacher Meeting Times

Your teachers will be available for quick communication (emails, video chatting, group demo video meetings, etc) at the following times. The period you have the teacher normally is when you can communicate with them. Of course, they'll answer emails at other times, but these times are reserved to help keep meeting times from overlapping with other teachers' requests.
