

# Northwest Trends FlooringAmerica.

where friends send friends

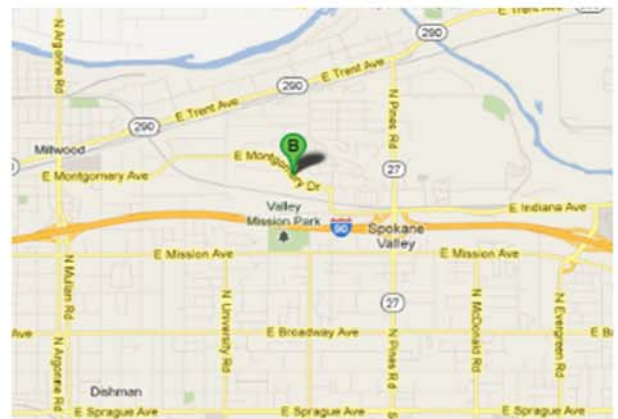

Northwest Trends is extending a special offer to Central Valley School District employees. We understand that you have many choices in choosing a flooring or countertop provider. Therefore, we have created a program focused on providing superior customer service for Central Valley School District employees.

The program is designed to meet your needs by providing value-oriented products, fast dependable service, the best warranties in the industry, and innovative financing programs. These services will help increase home values and provide a solid flooring reference to Central Valley School District staff members.

The details of the program are as follows:

- Popular styles in stock for employees
- Priority installation scheduling
- Best warranties in the industry
  - Product and installation
  - **Assurance Plus Guarantee** – If within **30** days of installation, the buyer is not happy with the new floor for any reason, we will replace it with a floor of equal value.
  - **Confidence Plus Warranty** – If within **60** days of installation, the buyer is not happy with the new floor for any reason, we will replace it with a floor of equal value and pay for the labor.
- Innovative financing programs
- **Discount of 20% off retail including installation**
- Discounts to **friends and family** when mentioning this program
- Complimentary in home design consultation
- Dedicated sales associate to handle your account
- Full-service destination offering:
