GT Summer STEAM Camp - Gifted and Talented students in Hampton One recently participated in the 2017 GT Summer STEAM Camp. The camp was held at **Varnville Elementary School**. Learning activities were organized around the German fairy tale, *Hansel and Gretel*. Students presented a full musical rendition of the fairy tale with production assistance from the **Baillie Players**. In addition to presenting a musical, the students participated in other learning activities related to the *Hansel and Gretel* theme including geocaching, first aid, multimedia, cultural curiosities, visual arts, culinary arts, and kitchen chemistry. The pictures below include the students' depictions of the witch's

house and student actors with Mr. Buren Martin from the Baillie Players.
