0120 AUTHORITY AND POWERS

The general mandatory powers and duties of the Board are defined in Title 18A of New Jersey statutes. Other sections of the statutes state or imply that a local Board of Education has full power to operate the local public schools as it deems fit in compliance with State and Federal mandates and pertinent laws of the municipality. The Board functions only when in session.

The Board of Education sees these as its required functions:

1. Policy oversight

The Board is responsible for the development of policy and for the employment of a Superintendent who shall carry out its policies through the development and implementation of regulations. The Board is responsible for evaluating the effectiveness of its policies and their implementation. This includes setting and evaluating goals in educational and financial areas.

2. Educational planning

The Board is responsible for requiring and acquiring reliable information from responsible sources which will enable it and the staff to work toward the continuing improvement of the educational program.

3. Provision of financial resources

The Board has major responsibilities for the adoption of a budget which will provide the wherewithal - in terms of buildings, staff, materials, and equipment - to enable the school system to carry out its functions.

4. Interpretation

The Board is responsible for providing adequate and direct means for keeping the local community informed about the school and for keeping itself and the school staff informed about the wishes of the public. All planning, both that which is and that which is not related to the budget, needs to be interpreted to the public if citizens are to support the school program.

The Board believes that, by diligently exercising these functions, it will be able to provide, within the financial limitations set by the community, the best educational opportunities possible for the children.

0131 BYLAWS AND POLICIES

Formulation, Adoption, Amendment of Bylaws

The Board of Education's bylaws are rules designed to organize and control its internal operations. Some bylaws are set by statute. Others may be formulated and adopted at its option by the Board of Education itself as long as they are in harmony with the intent and specifics of the statutes.

In its deliberations leading to the establishment or amendment of its bylaws, the Board's central concern will be for increased efficiency and effectiveness in carrying out its legally mandated tasks.

Proposed new bylaws and suggested amendments to or revisions of existing bylaws shall be adopted by a majority vote of the members of the Board present and voting during the second of two regularly or specially scheduled meetings of the Board. The proposed additions, amendments, or revisions shall have been described in writing in the calls for these meetings.

Formulation, Adoption, Amendment of Policies

The governance of the district through policies directed toward providing a thorough and efficient education for its pupils is one of the most important functions of the Board of Education. Therefore, the Board shall establish a careful process to ensure:

1. Development of clear, workable, legal policies which reflect mature consideration of the will and needs of the community; and
2. Timely, accurate evaluation of the effectiveness of the policies in the achievement of district objectives and progress toward goals; and
3. Adoption of the policy development codification system of the NJ School Boards' Association.

In order to ensure that the total policy process is implemented effectively, the Board appoints the Superintendent to implement this bylaw which shall include an action plan for the rational development of policies and their regular review; appropriate policy goal-setting; a process for evaluation of district and school progress toward or achievement of policy goals; and appropriate standards of measurement and criteria for judging such progress.

The procedures shall conform in all respects to the bylaws of the Board concerning agenda and meetings. The procedures shall provide a means whereby all interested parties in the school community may submit proposals for additions and amendments to the school district governance manual, and may contribute opinions and information for the Board's consideration.

The policy coordinator shall ascertain any conflicts between proposed and existing policies and bring them to the attention of the Board at the first reading of the draft. Policies may be adopted on second reading by a majority vote of the members of the Board present and voting or may be further revised until consensus is reached. Note: First reading means the first time the policy is presented, not the first time a policy is approved in its final form.

In the interest of efficient administration, the Superintendent shall have the power to decide all matters of detail that may arise for which no specific provision is made in the policies adopted by the Board, but no emergency action shall constitute official Board policy. The Superintendent shall present the matter at the next Board meeting, so the Board can consider policy to deal with that situation in the future.

Accessibility is to extend at least to all employees of the school system, to members of the Board, the Board attorney, and the reference section of the local library.

All copies disseminated by the Board shall remain the property of the Board and are subject to recall or revision by written notice.

The Board reserves to itself the right to final determination of what shall be the official policy of the school district.

Suspension of Policies, Bylaws, and Regulations

The Board of Education has developed a careful and deliberate process of formulating and adopting its policies and bylaws. Requests for suspension of any existing policy or bylaw should receive the same careful consideration.

Therefore:

1. Any request for a waiver of policy or bylaw shall be considered in light of the policy or bylaw itself, rather than any particular circumstances of the moment.
2. The Board shall decide whether the policy or bylaw still reflects the considered intent of the Board. If it does, the suspension will be denied and the policy or bylaw reaffirmed in the minutes.

BYLAWS

SPOTSWOOD PUBLIC SCHOOLS

BYLAWS

Bylaws and Policies

3. If the policy or bylaw does not reflect the intent of the Board, then the policy shall be waived by a majority vote of the members of the Board present and voting and development of a revised policy or bylaw shall become the Board's prime policy priority.

In the event of an emergency requiring immediate action, the Superintendent shall have the power to waive policy or regulation in the single instance. In such cases, the Superintendent shall report the instance to the Board President immediately, and request reconsideration of the policy at the next regular meeting.

N.J.S.A. 18A:11-1

Adopted: 2 September 2008

0132 EXECUTIVE AUTHORITY

The Board of Education shall exercise its executive power in part by the appointment of a Superintendent as Chief School Administrator, who shall enforce the statutes of the State of New Jersey, rules of the State Board of Education, and policies of this Board.

The Superintendent shall prepare regulations for the administration of the school district that are consistent with statutes or rules of the State Board of Education and are dictated by the policies of this Board. Administrative regulations shall be binding upon the employees and the pupils of this school district when issued by the Superintendent and shall be provided to the Board for the information of Board members except where Board approval is required by law. The Board reserves the right to revise an administrative regulation proposed by the Superintendent provided the revision is consistent with policy, statute, administrative code, or any other applicable law or collective bargaining agreement. Any administrative regulation that requires Board approval shall be Board-approved prior to promulgation.

The Superintendent shall be delegated the authority to take necessary action in circumstances not governed by Board policy and shall report any such action to the Board at the first regular Board meeting following the action.

The Superintendent shall have a seat on the Board and shall have the right to speak on all matters at meetings of the Board, but shall have no vote.

The Business Manager in a Type I school district shall have a seat on the Board and the right to speak on all matters relating to his/her department, but shall not have the right to vote.

N.J.S.A. 18A:17-20

Adopted: 2 September 2008
Revised: 26 February 2013

0133 ADJUDICATION OF DISPUTES

The Board of Education may assume jurisdiction over any dispute or controversy arising within this school district and concerning any matter over which authority has been vested in the Board by statute, rule of the State Board of Education, or a contract or policy of this Board.

The Board may hold hearings that will offer the parties to a dispute, on notice duly given, a fair and impartial forum for the resolution of the matter.

Beyond the basic requirements of due process a hearing will vary in form and content as dictated by the severity of the consequences that may flow from the Board's determination, the degree of difficulty of establishing findings of fact from conflicting evidence, and the impact of the Board's decision on the school district.

Regulations for the conduct of adjudicatory hearings of the Board shall be prepared as guidelines for those who may be heard by the Board.

A decision of the Board may be appealed to the Commissioner of Education.

N.J.S.A. 18A:11-1

Adopted: 2 September 2008

0134 BOARD SELF EVALUATION

The Board of Education may determine to conduct a self-evaluation on a periodic or regular basis. In the event the Board determines to conduct a self-evaluation, it will adopt an evaluation instrument that permits individual Board members to record their assessments of the conduct of the Board in fulfilling its responsibilities in accordance with applicable statutes and administrative codes.

The assessments will be tabulated by the Board President or designee and presented for discussion at a regular meeting of the Board in which the Superintendent will be invited to participate. The Board will formulate, as appropriate, goals and priorities that will serve to guide the Board's future conduct.

For the purposes of this Policy, “immediate family member” means the person’s spouse, partner in a civil union as defined in N.J.S.A. 37:1-33, domestic partner as defined in N.J.S.A. 26:8A-3, or dependent child residing in the same household.

However, in accordance with N.J.A.C. 6A:23A-6.2(a)2, the district may employ a relative of a Board member or Superintendent of Schools provided the district obtains the approval from the Executive County Superintendent of Schools. Such approval shall be granted only upon demonstration by the school district that it conducted a thorough search for candidates and that the proposed candidate is the only qualified and available person for the position.

In accordance with N.J.A.C. 6A:23A-6.2(a)6.(b), per diem substitutes and student employees who are relatives of a Board member or the Superintendent of Schools shall be excluded from the provisions of this Policy and N.J.A.C. 6A:23A-6.2.

0162 NOTICE OF BOARD MEETINGS

The Board of Education will give notice of all meetings in accordance with law.

Public Notice

The Board Secretary shall notify, in writing and no later than forty-eight hours in advance of the meeting, each Board member and each person who has duly requested such notification of the time, date, location, and, to the extent it is known, the agenda of any regular, special, or rescheduled meeting. Forty-eight hour notice shall also be posted in the Board office, delivered to two newspapers designated by the Board, and filed with the clerk of the Borough of Spotswood, except that forty-eight hour notice is not required where the time, date, and location of the meeting has been published in the annual list of meetings approved by the Board in accordance with law.

Upon the affirmative vote of three-quarters of the members present, the Board may meet in the absence of adequate notice, provided that discussion and action is limited to specific and unforeseen or unforeseeable matters of such urgency and importance that delay for the provision of notice would be likely to result in substantial harm to the public interest and that notice is given as soon as possible after the call of the meeting in accordance with the provisions of law and this bylaw.

Personal Notice of Meeting

The Board shall provide personal notice in writing to an adult pupil, the parent(s) or legal guardian(s) of a minor pupil, an employee or officer of this district, or a prospective employee whose privacy may be invaded or whose employment may be affected by the Board's deliberations in private session. Such personal notice will include the date and time of the private meeting, the subject or subjects scheduled for discussion at the private meeting, and the right of the individual given notice to request that the discussions be conducted at a public meeting. Personal notice will be given no less than seventy-two hours in advance of the private meeting.

A written request for public discussion must be signed by the person making the request and must be submitted to the Board Secretary prior to the commencement of the meeting. Any such properly submitted request will be granted. In the event that one or more, but fewer than all, of a group of persons whose employment will be discussed request a public meeting, the discussion regarding the person or persons who have submitted the request will be severed from the rest and will be conducted publicly.

A discussion held in public by reason of the written request of an individual will be conducted at a regularly scheduled meeting for which annual notice has been given or at a meeting for which adequate public notice has been given in accordance with law.

Nothing in this bylaw will permit an employee to request or the Board to grant the public discussion of tenure charges or permit the public disclosure of information regarding a disabled pupil.

0163 QUORUM

A quorum shall consist of three Board members, and no business shall be conducted in the absence of a quorum, except when the Doctrine of Necessity is invoked.

In the event a quorum is not present at the hour of convening, the meeting may be recessed to a time not later than 9:00 p.m. of the same day. If a quorum is not then present, the members present may adjourn the meeting to a later date within seven days.

The Board of Education recognizes that there may be matters that come before the Board or acts required of Board members in their official capacity where the Board member may have a conflict of interest or the act would be in violation of N.J.S.A. 18A:12-24. In these matters, the Board member(s) will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter. The Board will consider this matter without the Board member(s) who has the conflict.

In the event a matter comes before the Board or an act is required of a Board member in his/her official capacity that is a conflict or would be in violation of N.J.S.A. 18A:12-24, the Board would still be required to have a quorum to consider the matter. However, the New Jersey Department of Education and the School Ethics Commission has envisioned this prohibition could create a situation in which so many Board members have a conflict, that the Board would be unable to take action on a matter. Therefore, when more than a quorum of the Board members must abstain from voting on a matter, the Board will invoke the Doctrine of Necessity consistent with the New Jersey Department of Education and School Ethics Commission guidelines as follows:

A. Board Member(s) in Conflict - Less Than a Majority of The Board

1. In the event a Board member(s) has a conflict of interest where the Board member will act in his/her official capacity, the Board member must remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
2. In the event a Board member is unsure whether he/she or any other Board member has a conflict of interest or whether the matter, if acted upon by a Board member(s) is in violation of N.J.S.A. 18A:12-24 - Prohibited Acts, the School Board Attorney will make a determination.
3. The School Board Attorney will provide the Board of Education an opinion on whether the matter is a conflict of interest or act prohibited by N.J.S.A. 18A:12-24 - Prohibited Acts.

4. If the Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity or if the School Board Attorney renders an opinion that the Board member has a conflict of interest where the Board member will act in his/her official capacity, the Board member will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
- B. A Majority of Board Members in Conflict
1. In the event:
 - a. A Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity; or
 - b. If the School Board Attorney renders an opinion that the Board member(s) has a conflict of interest where the Board member will act in his/her official capacity; and
 - c. The number of Board members that have a conflict would make it so the Board would be unable to take action on the matter, then the Board may invoke the “Rule [or Doctrine] of Necessity.” (Citing *U.S. v. Will*, 449 U.S. 200 (1980)).
- C. Rule [Or Doctrine] Of Necessity
1. The Doctrine of Necessity may be invoked when more than a quorum of the Board must abstain from voting on a matter.
 2. There are three prerequisites necessary for a Board to invoke the Doctrine of Necessity:
 - a. The Board must be unable to act without the members in conflict taking part;
 - b. There must be a pressing need for action, i.e. the matter cannot be laid aside until another date; and
 - c. There can be no alternative forum that can grant the same relief. (*Allen v. Toms River Regional Board of Education*, 233 N.J. Super 651 (Law Division 1989)).

3. When the School Board Attorney advises the Board the Doctrine of Necessity must be invoked in order to obtain a quorum on a vote, the Board must announce that it is invoking the Doctrine.
 - a. The announcement must include the reason the Board must invoke the Doctrine of Necessity including stating the nature of each Board members conflict.
 - b. The announcement will be in writing and should be recorded in the minutes of the meeting by the Board Secretary at the point when the vote takes place.
 - c. It is enough for the Board to announce it is invoking the Doctrine and a Board Resolution is not required.
4. When the Board announces the Doctrine of Necessity is being invoked, the details, parameters and/or other pertinent facts of the matter to be voted should be revealed on an agenda for the public meeting in which the matter is to be voted upon.
5. The Board members who have a conflict in the matter are prohibited from:
 - a. Participating in any discussions on the matter prior to the announcement and public meeting; and
 - b. From entering an executive session in order to discuss the merits of the matter or contract; and
 - c. From offering their opinions on the matter at any time prior to the announcement and public meeting.
6. The Board members who have a conflict in the matter may only participate to the extent they may vote after the motion to approve and/or ratify the matter has been made and seconded and the Doctrine of Necessity has been thoroughly explained to the public.
7. Board members in conflict may only ask questions regarding the matter to be voted on in public and after the Board has invoked the Doctrine of Necessity.

0166 EXECUTIVE SESSIONS

The Board of Education may meet in a private session only to discuss and act on issues exempted by law from the requirement that all Board meetings be public and only after the adoption at a public meeting of a resolution stating the general nature of the subject or subjects to be discussed and, as precisely as possible, the time when and circumstances under which the discussion conducted in private session can be disclosed to the public.

The Board may exclude the public only from that portion of a meeting at which the Board discusses:

1. Any matter that has been rendered confidential by express provision of federal or state law or rule of court;
2. Any matter in which the release of information would impair a right to receive funds from the Government of the United States;
3. Any material the disclosure of which constitutes an unwarranted invasion of a pupil's privacy, including but not limited to records, data, reports, or recommendations relative to the pupil's personal and family circumstances, treatment, progress or condition, unless the adult pupil or the pupil's parent(s) or legal guardian(s) requests in writing that the same be disclosed publicly;
4. Any Collective Bargaining Agreement, or the terms and conditions that are proposed for inclusion in any Collective Bargaining Agreement, including the negotiation of the agreement with school district employees or representatives of employees;
5. Any matter involving the purchase, lease, or acquisition of real property with public funds or the investment of public funds, where it could adversely affect the public interest if discussion of such matters were disclosed;
6. Any tactics and techniques utilized in protecting the safety and property of the public when their disclosure could impair such protection and any investigations of violations or possible violations of the law;
7. Any pending or anticipated litigation or contract negotiation other than as stated in #4 in which the Board is or may become a party and any matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for the attorney to exercise his/her ethical duties as a lawyer;

0167 PUBLIC PARTICIPATION IN BOARD MEETINGS

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest.

In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public comment at every regularly scheduled meeting of the Board.

Public participation shall be permitted only as indicated on the order of business in Board Bylaw No. 0164.

Public participation shall be extended to residents of this district, persons having a legitimate interest in the actions of this Board, persons representing groups in the community or school district, representatives of firms eligible to bid on materials or services solicited by the Board, and employees and pupils of this district, except when the issue addressed by the participant is subject to remediation by an alternate method provided for in policies or contracts of the Board.

Public participation shall be governed by the following rules:

1. A participant must be recognized by the presiding officer and must preface comments by an announcement of his/her name, place of residence, and group affiliation, if appropriate;
2. The presiding officer may limit each statement made by a participant to five minutes' duration.
3. No participant may speak more than once on the same topic until all others who wish to speak on that topic have been heard;
4. All statements shall be directed to the presiding officer; no participant may address or question Board members individually;

0168 RECORDING BOARD MEETINGS

The Board of Education directs the creation and maintenance of an official record of the formal proceedings of the Board and will permit the unofficial recording of Board meetings in accordance with this Bylaw.

Minutes

The Board shall keep reasonably comprehensible minutes of all its meetings showing the time and place, the members present, the subject considered, the actions taken, the vote of each member, information sufficient to explain the actions taken, and any other information required to be shown in the minutes by law.

Minutes of public meetings shall be public records signed by the Board Secretary and filed in the Board Secretary's office in a minute book as the permanent record of the acts of this Board.

Minutes of executive meetings shall be filed in the Board Secretary's office in a place separate from the minute book until the time, if any, when the proceedings may be made public. At that time, the minutes shall be public records and shall be filed in the regular minute book.

The Board Secretary shall provide each Board member with a copy of the minutes prior to Board approval.

Recording by the Public

A member of the public may record the proceedings of a public meeting of the Board provided the audio or video recording process complies with reasonable guidelines as outlined in this Bylaw. These guidelines are adopted to ensure the recording of the public meeting does not interrupt the proceedings, inhibit the conduct of the meeting, or distract Board members or other observers present at the meeting.

The Board will permit the use of audio or video recording devices by members of the public to record public meetings.

Prior notice to audio or video record a public meeting is not required provided the person operates the recording device while sitting in the area designated by the Board for public seating. The recording of a meeting from this area shall not obstruct or distract any member of the public from observing and listening to the proceedings of the meeting. If the recording is obstructing the view or is distracting to members of the public, the presiding officer or

designee will require the person recording the meeting to relocate to another area of the meeting room.

In the event a member of the public wants or needs to audio or video record a public meeting from an area other than the area designated for public seating, the person shall provide notice of such request to the Board Secretary in advance of the meeting. The Board Secretary or designee shall review the recording guidelines outlined in this Bylaw with the person requesting to record the meeting.

Any member of the public wanting to use a recording device from an area other than the area designated for public seating must be located and operated from inconspicuous locations in the meeting room as determined by the presiding officer or designee. Prior to the meeting, the presiding officer or designee will determine the location of each recording device so each video recording device can record the meeting with an unobstructed view and each audio recording device can record a meeting so the speakers and meeting proceedings can be properly recorded. The location of any recording device operated from an area other than the area designated for public seating will be in an area of the meeting room that is not distracting or obtrusive to Board members, members of the public, or the orderly operation of the meeting. Any recording device used outside the area designated for public seating shall be located within a similar distance from the Board as the public seating area. The presiding officer or designee shall determine when the number of recording devices used outside the area designated for public seating interferes with the conduct of a Board meeting and may order that an interfering recording device be removed or relocated.

Additional lighting shall not be used unless approved by the presiding officer or designee prior to the meeting. All recording devices and any related equipment must be battery operated or operational without the use of district electricity as the district will not permit such equipment to be connected to the school district's electrical service.

The presiding officer or designee shall determine if a recording device interferes with the conduct of a Board meeting and may order that an interfering device be relocated.

0169 BOARD MEMBER USE OF ELECTRONIC MAIL/INTERNET

The Board of Education is a public body as defined in the New Jersey Open Public Meetings Act, N.J.A.C. 10:4-6 et seq., and the Board and its members are required to comply with the provisions of this Act. It is the right of the public to be present at meetings of public bodies and to witness in full all phases of the deliberations, policy formulation, and decision-making. Board members acknowledge certain discussions between Board members, other than during a Board meeting, may be subject to the provisions of the Open Public Meetings Act.

The Board of Education is also subject to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq. The Open Public Records Act requires public agencies/School Boards to make certain governmental records subject to public access. Board members may, by written and/or electronic mail (e-mail), communicate with each other and with certain school staff regarding the school district's public business. "Public business" means and includes all matters that relate in any way, directly or indirectly, to the performance of the public body's functions or the conduct of its business. Board members acknowledge these written communications may be classified as a governmental record and may be subject to public access pursuant to the Open Public Records Act.

In order to ensure the Board and/or individual Board members comply with the requirements of the Open Public Meetings Act and the Open Public Records Act, the following guidance is provided regarding certain discussions and written communications regarding the public business:

1. Written letters, e-mails, and supporting documents regarding school district matters written by Board members to other Board members or written by Board members to school staff, unless the subject matter is specifically exempt under the Open Public Records Law, are governmental records and are subject to public access. Based on the potential for improper/inappropriate disclosure and/or breach of confidentiality that may compromise the Board or Board member, these communications should not involve confidential matters, especially any matter the Board may discuss in executive/private session outside the presence of the public pursuant to the Open Public Meetings Act.
2. Written letters, internet (chat) discussions, e-mails, and supporting documents regarding the school district's public business written by Board members to other Board members shall not replace deliberations that would prevent the public from witnessing in full detail all phases of the Board's deliberations, policy formulation, and decision-making process in accordance with the intent of the Open Public Meetings Act.

3. Internet (chat) discussions between Board members regarding the school district's public business shall not include multiple Board members with the potential that a quorum of the Board may be involved, or become involved, in such discussion.

In the event a Board member(s) fails to comply with the guidance of this Policy, the matter shall be referred to the Board President, who will meet and/or discuss the matter and this Policy with the Board member(s). The Board President may request the Board Attorney participate in this meeting and/or discussion.

0169.02 BOARD MEMBER USE OF SOCIAL NETWORKS

In accordance with the School Ethics Act - N.J.S.A. 18A:12-21 et seq., Board of Education members must avoid conduct which is in violation of the public trust or which creates a justifiable impression among the public that such trust is being violated. To avoid conduct that may be in violation or perceived to be in violation of the School Ethics Act, the Board of Education adopts this Policy to provide guidance to Board members in their use of social networks.

For the purposes of this Policy, “social network(s)” shall include, but not be limited to: Internet blogs, electronic bulletin boards, emails, social networking websites, text messages, or any other online platform where people may post or communicate interests, opinions, or any other information that may be viewed by others with or without permission from the person making such post or re-publishing such post. “Social networks” also means an Internet-based service that allows individuals to: construct a public or semi-public profile within a bounded system created by the service; create a list of other users with whom they share a connection within the system; and view and navigate their list of connections and those made by others within the system.

For the purposes of this Policy, “use of a social network” shall include, but not be limited to: posting to a social network, reposting another person’s post to a social network, messaging, or any other publication of material on a social network.

Nothing in this Policy prevents a Board of Education member from using a social network. However, a Board member must avoid conduct on a social network that would violate the School Ethics Act – N.J.S.A. 18A:12-21 et seq., which includes the Code of Ethics for Board Members. Board members should be advised communications, publications, photographs, and any other information posted by the Board member or reposted by the Board member on a social network could violate the School Ethics Act and be cause for sanctions in accordance with the law.

While this Policy respects the right of Board members to use social networks, Board members shall recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. A Board member’s use of social networks shall not damage the reputation of the school district, employees, students, or their families. Board members who use social networks shall ensure their conduct is appropriate for a Board of Education member. Board members

should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent.

Board members should carefully review the privacy settings on social networks they use and exercise care and good judgment when posting content and information. When using social networks, Board members are advised to:

1. Not post anything that would violate any of the district's policies for Board members;
2. Uphold the district's value of respect for any individual(s) and avoid making defamatory statements about the Board of Education, the school district, employees, students, or their families;
3. Not disclose any confidential information about the school district or confidential information obtained as a result of being a Board member, about any individual(s) or organization, including students and/or their families;
4. Not use or refer to their Board of Education title or position when soliciting for a business organization that he or she or any immediate family member has an interest in, as well as posting or referencing any confidential information regarding the Board of Education or the school district obtained through their Board membership, unless authorized by law;
5. Refrain from having communications through social networks with other Board members regarding any Board of Education business to avoid any potential violation of the New Jersey Open Public Meetings Act;
6. Not respond to any postings regarding Board of Education or school district business or respond to any question or inquiry posted to the Board member or posted on any social network regarding Board of Education or school district business and shall refer any such questions or inquiries to the Superintendent of Schools to address, as appropriate; or

BYLAW GUIDE

7. Not post any information on a social network determined by the New Jersey School Ethics Commission to be a violation of the New Jersey School Ethics Act.

A Board member shall comply with all Board policies regarding acceptable use of computers and computer networks whenever a Board member is using a Board of Education electronic device.

If the Board or Superintendent believes a Board member's activity on any social network may violate the Board's policies or the New Jersey School Ethics Act, the Board or Superintendent may request the Board member cease such activity.

This Policy has been developed and adopted by this Board to provide guidance and direction to a Board member to avoid actual and/or a perceived appearance of inappropriate conduct or conduct prohibited by the School Ethics Act while using social networks.

The Board will acknowledge the receipt, review, and evaluation of the external peer/quality report in the public session and Board minutes in which the accountant or firm to perform the audit is engaged.

0174 LEGAL SERVICES M

In accordance with N.J.A.C. 6A:23A-5.2, the Board of Education adopts this Policy and its strategies to ensure the use of legal services by employees and the Board of Education members and the tracking of the use of legal services.

The Board of Education authorizes the Superintendent of Schools, and School Business Administrator/Board Secretary as designated contact persons to request services or advice from contracted legal counsel.

The School Business Administrator/Board Secretary shall be responsible to review all legal bills and confer with designated contact persons in reviewing such legal bills.

In accordance with the provisions of N.J.A.C. 6A:23A-5.2(a)2, the Board designates the administrative staff member to review all legal bills and designates contact persons to ensure the prudent use of legal services.

School districts with legal costs that exceed one hundred thirty percent of the Statewide average per pupil amount should establish the procedures outlined in 1., 2., 3., and 4. below and, if not established, provide evidence such procedures would not result in a reduction of costs.

1. The designated contact person(s) shall ensure that contracted legal counsel is not contacted unnecessarily for management decisions or readily available information contained in district materials such as Board policies, administrative regulations, or guidance available through professional source materials.
2. All requests for legal advice shall be made to the designated contact person(s) in writing and shall be maintained on file in the district offices. The designated contact person shall determine whether the request warrants legal advice or if legal advice is necessary.
3. The designated contact person(s) shall maintain a log of all legal counsel contact including the name of the legal counsel contacted, date of the contact, issue discussed, and length of contact.
4. All written requests for legal advice and logs of legal counsel contacts shall be forwarded to the School Business Administrator/Board Secretary, who shall be responsible to review all legal bills and compare all legal bills to the contact logs and to investigate and resolve any variances.

Any professional services contract(s) for legal services shall prohibit advance payments. Services to be provided shall be described in detail in the contract and invoices for payment shall itemize the services provided for the billing period. Payments to legal counsel(s) shall only be for services actually provided.

School districts and vocational school districts are prohibited from contracting with legal counsel or using in-house legal counsel to pursue any affirmative claim or cause of action on behalf of district administrators and/or any individual Board members or pursuing any claim or cause of action for which the damages to be awarded would benefit an individual rather than the school district as a whole.

The Board of Education will annually establish prior to budget preparation, a maximum dollar limit for each type of professional service, including legal services. In the event it becomes necessary to exceed the established maximum dollar limit for the professional service, the Superintendent of Schools shall recommend to the Board of Education an increase in the maximum dollar amount. Any increase in the maximum dollar amount shall require formal Board action.

Contracts for legal services will be issued by the Board in a deliberative and efficient manner that ensures the district receives the highest quality services at a fair and competitive price or through a shared service arrangement. This may include, but is not limited to, issuance of such contracts through a Request for Proposals (RFP) based on cost and other specified factors or other comparable processes. Contracts for legal services shall be limited to non-recurring or specialized work for which the district does not possess adequate in-house resources or in-house expertise to conduct.

0175 CONTRACTS WITH INDEPENDENT CONSULTANTS

The Board of Education may from time to time engage the services of one or more independent contractors to advise and assist the Board in analyzing school district operations and preparing Board reports when those tasks cannot be performed as economically by district staff members.

Wherever possible, the Board will seek proposals from multiple sources before a contract with an independent consultant is entered. The Board will not contract with a Board member or the spouse, child, parent(s) or legal guardian(s), or sibling, in fact or in law, of a Board member as an independent consultant.

The Board will engage the services of an independent consultant only by written contract, which must specify the work to be accomplished by the consultant, the time within which the work is to be completed, and the fee that will be paid the consultant. An independent consultant engaged by the Board is neither agent nor employee of the Board and may represent the Board only as expressly authorized to do so in writing.

An independent consultant may have access to such school facilities and school district employees as may be reasonably required in the performance of the consultant's contract with the Board. Except as expressly permitted by the contract, any communication between the consultant and a district employee or community member regarding the work of the contract must be conducted through the Board or a designated school official.

Materials and reports generated and created by the independent consultant in the performance of his/her contract with the Board are and will remain the property of the Board and are subject to Board Policy No. 8310 on public records.

Adopted: 2 September 2008

0176 COLLECTIVE BARGAINING AND CONTRACT APPROVAL/RATIFICATION

The Board recognizes a Board member and/or a member of his/her immediate family may be a member of, or salary is determined by, a labor bargaining unit, professional association and/or union that has an affiliation with a bargaining unit, professional organization and/or union within the school district. The Board member does not automatically violate N.J.S.A. 18A:24 by voting to approve and/or ratify this contract solely on the basis of his/her status or that of an immediate family member with respect to membership or representation by a different local affiliate of the same statewide association with whom the agreement is made provided the Board member's involvement with such local affiliate has not or appears to have not compromised the member's objectivity or independence of judgment.

In accordance with N.J.S.A. 18A:12-24, the Board member shall not participate in the collective bargaining process and/or serve on the negotiations committee representing the Board with this unit, association, and/or union. The Board member may be apprised of the terms of a tentative memorandum of agreement with this unit, association, and/or union in closed and/or open session only after a tentative memorandum of agreement has been reached. The Board member may vote during the public meeting to approve and/or ratify a contract with this bargaining unit, professional association and/or union.

The Board member shall not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has an immediate family who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school Board attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.

In addition, the School Ethics Commission Decision A16-00 states a Board member may not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has a "relative" who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school Board attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.

0177 PROFESSIONAL SERVICES M

In accordance with N.J.A.C. 6A:23A-5.2, the Board of Education adopts this Policy and its strategies to minimize the cost of professional services.

The Board of Education will establish annually prior to budget preparation a maximum dollar limit for each type of professional service.
