

Evergreen Parents,

Welcome to a new school year!

At Evergreen, we continually look to improve our programs and processes. To improve instruction, last year we assembled a committee to explore how we schedule reading, math, interventions, art, music, physical education etc.

The committee contacted other schools to see how they schedule classes and discussed their findings. The outcome of the committee's work is explained below.

We will be implementing a 6 Day Block Specials' Schedule this year. Here is how it works.

The schedule consists of a continuous rotating 6-day schedule. This is not a traditional weekly schedule based on Monday through Friday. For example, Wednesday August 21st is the first day of school. This would be Day 1. Thursday is Day 2, and Friday is Day 3. When school resumes on Monday, August 26th, the schedule continues with Day 4, Day 5, Day 6. On Thursday, August 29th, the schedule starts again with Day 1. In the event there is an Institute Day or non-attendance day, planned or unplanned including e-learning days, the schedule will pause and will resume when students return to school. The 6-day schedule calendar will then be revised and can be found on our website.

Each month we will place a calendar on our website with the days marked to avoid a mix up in the count. It will also be in our newsletter each month.

There are many benefits with this type of scheduling.

- This schedule will prevent specials from experiencing a loss of teaching time due to Institute Days, Non-attendance days, and Half - day Fridays.
- Teachers will have the same planning period no matter the day. This allows flexibility for teachers to have a common plan any day of the week to improve instruction.
- This schedule permits easier scheduling for support staff to push in and pull out students as needed.

Art will be exempt from this block schedule. Your student's art schedule will remain the same on Tuesday, Wednesday and Thursday.

As always, thank you for your support as we continue to make Evergreen the
BEST SCHOOL EVER!

Sincerely,
Laura Pfanenstiel
