Dr. Robert Williams,

It is my pleasure to congratulate you on achieving **2019 National Beta District of Distinction** status!

National Beta District of Distinction is awarded to school districts who induct qualifying students in all eligible grades (4th-12th) within each school. This prestigious honor is a true indication of your dedication to students who lead, serve, and achieve.

Enclosed is a *National Beta School of Distinction* award to proudly display at your district office as a symbol of your accomplishment. Plaques for each school in your district are also enclosed for you to award to each principal to display at their school.

Thank you for your continued commitment to academic achievement, character, service, and leadership. These four pillars have been the foundation of membership in our organization and your district is an ideal representation of those values.

Congratulations again on your prestigious accomplishment of being a *District of Distinction*!
