Second semester 90 day plan

Proposed Amendment

Mrs. Gillette explained that the school board had voted for the district to pay for each elementary school to have an art aide to give the teachers more prep time. So, the money for our art aide no longer needed to be funded through trust lands starting in January. The following amendment was proposed and voted on,

passed unanimously with a motion from Ann and a second from Jolene.

Amendment-

We would like to change our current plan to pay for an intervention aide instead of an art aide due to the district now funding the art aide in January.

Other

White Ribbon Week will be discussed next time.

Adjourn

The meeting was adjourned with a motion from and a second from Shannon at 4:35
