

LIBERTY LAKE ELEMENTARY

PATRIOT POINTERS

October 5th, 2018

One of the things I enjoy most about living in Liberty Lake is the beautiful colors that we get to enjoy each fall. The next several weeks our weather may change so please make sure your child is dressed for the cold weather ahead! You may even want to stop in and check our lost and found for lots of items already left behind.

Cross Country—We are off to a great start with our Cross Country running program this year! We have over 100 students participating. The first Cross Country meet was Tuesday at Central Valley High School. It was so much fun seeing all of our students running! Join us for the next meet on Monday, October 15th at CVHS! A big thank you to our coaches and volunteers for all of their hard work in making this program successful. A special thank you to our PTO for helping create a basket to be auctioned off at the Active For Youth Auction on October 19th.

STEM—Spokane Valley Tech will host a **Saturday SVT camp on November 3, 2018**. The camp will engage students in a variety of activities that relate to the courses taught at Spokane Valley Tech including Biomed, Engineering, Computer Science, Sports Medicine, and EMT. The cost of camp is \$30.00 per student. All funds raised will support the Spokane Valley Tech ASB. Enrollment forms (see attached) may be mailed or dropped off at SVT. Please plan to pay with cash or a check. Checks should be made to SVT ASB. Please see the attached enrollment form to register for this great camp!

Coats for Kids—We are excited to once again partner with KXLY for our annual Coats for Kids Drive. We are collecting NEW and GENTLY used coats until October 31st! The class that brings in the most coats will receive a pizza party from Mrs. Tesky!

Selkirk Middle school construction update...

We're well underway on the construction of the 6th middle school in Central Valley School District. Last June, the Board approved the recommendation to name the school Selkirk Middle School. Our core team identified our mascot to be the Wolves and our colors to be Purple, Grey, and Black. We officially have an identity and are in the process of developing our mission for our community and the logo that will be forever associated with the Selkirk Wolves. Selkirk will open in the fall of 2019.

These are very exciting times for the Central Valley School District!

You can also check our website, www.cvsd.org, for updates on construction

Attachments—Please take a look at the following attachments about our districts human growth and development curriculum. The district hosts a parent preview of our HIV / AIDS prevention curriculum in the fall. According to state law, parents must preview curriculum prior to excluding their students. Attached, is the letter announcing those preview evenings. If you have any questions please reach out to Ali Bartlett at 558-5711.

Please also take a look at the Letter from our Liberty Lake Municipal Library about obtaining a library card. Throughout the school year there are several opportunities for children's programs and STEM related activities.

UPCOMING DATES:

Friday, October 12th—No School (Teacher Learning Improvement Day)

Friday, October 12th—No Cross Country
