Art Criticism of about making judgments. It is about evaluation a work of art from any number of points of view, or criteria. Art criticism is the result of **careful, sensitive looking and thoughtful interpretation**. It is essential that you be able to understand **why** you hold a particular opinion about a piece of work. *Phrases to use:* "I like it because....." "It reminds me of....." "it reveals the emotion....." *the painting exposes.....* "The artwork represents....." *The complementary color scheme of blue and orange creates a visual tension in the trees..* "In my opinion....." "I see....." "I'm inspired by....."  
*How were you inspired for your portfolio/art exhibit?*

On this handout write down the details of the field trip; (Attach a brochure and/ or ticket ) date, who, where etc..

2. MUST consider these when writing about the artwork:

*Expressionism, Symbolism, Allegory: tales, metaphor, Material/Medium used,*

*Composition, Techniques used and Elements and Principles:*

*(E=line, shape, color, texture, value ,space ,form) (P=balance(symmetry or asymmetry), unity, movement, rhythm, pattern, emphasis, contrast)*
