

Secaucus Public School District

2019/2020 Bus Information

Below you will find the bus information for each school. Please be aware that due to the 495 closure and the Route 3 overpass replacement on Paterson Plank Road, loading times (pick-up times) may be adjusted. You will be notified accordingly if a change is necessary. If you have any questions, please call the school office that your child attends. Students must board at designated times as there is no boarding time allotted. Your cooperation is appreciated. Our goal is to keep our students safe and to get them to school on time.
