### LHS Dress Code

**PHILOSOPHY:** Clothing expresses one's attitude and personality as well as the attitude and personality of an institution. Clothing also reflects and influences behavior. The school environment calls for a seriousness of purpose and some level of formality. This should be reflected in the clothes we wear and the attitude we bring to learning. Though your clothing reflects your personality, it should not interfere or be in conflict with the primary purpose of this institution, which is your intellectual, moral, and ethical development.

**THE PURPOSE:** A dress code is to teach and model lasting principles of dress and behavior, not simply to address the latest fashions or fads. These guidelines address appropriate attire for settings as diverse as a science laboratory, an art class, or a math class. Recognizing the variety in body type and structure, these guidelines offer methods for dressing in a reasonably modest, comfortable, and appropriate manner for most circumstances. Shirts must be no more than one size larger.

**GUIDELINES:** Clothing should be size appropriate, clean, neat, modest, and meet the following criteria while standing, sitting, walking, bending, or reaching.

**NOTE:** The principal or assistant principals will make the final judgment concerning attire or accessories that do not fall into one of the above categories but may still be considered inappropriate or disruptive to the educational program.

Clothing should be appropriate in length while standing, sitting, walking, bending and reaching.

Garment must be longer than the longest finger tip when the student's arm is fully extended by the side of the body. This applies to shorts, skirts and dresses.

Clothes may not be sheer or see through.

Appropriate under garments must be worn and must be out of sight at all times.

Skin exposure should be kept to a minimum, for example bare midriffs, backless clothing, etc will not be allowed. A student must be able to make common movements and still be within dress code.

**No holes in pants above fender tips where skin is shown is allowed**

No Crop Tops

No Tank Tops

GIRLS - No sleeveless, racer back shirts, or spaghetti straps. No part of your underwear should be seen at anytime

BOYS - No sleeveless, muscle shirts or tank tops

BOYS - The waistband of your pants or shorts must be above the hipbones at all times. This applies even if a sweater or shirt cover pants

No hats or caps may be worn in the building

No gang affiliated clothing (including bandannas)

Clothing or accessories bearing slogans that are about or are suggestive of drugs, alcohol, sex, or contain or suggest obscenities, or that prove to be a disturbing influence will not be allowed at LHS

**A violation of the dress code** may require the student to remove the article of clothing or accessory, change clothes, and/or other punishment at the discretion of the administration.

## Arrival and Departure

Upon arrival, all students must report to the cafeteria. Students are not allowed to remain in cars or leave campus. Students may not enter academic areas until the **8:10 a.m.** bell rings. At the close of the school day, all other students should vacate the building and parking lot areas unless they are involved in a school activity or waiting for a school bus.

## Cafeteria and Lunch Time

Students are required to remain on campus and in the cafeteria during their lunch period. No one should be in or near the parking lots or outside of the building for any reason. **After finishing lunch, all students are expected to dispose of all trash appropriately.** Students should remain in the cafeteria after eating lunch until dismissal time. Drinks and snacks must be consumed in the dining area. No food or drink is to be taken into hallways, auditorium or classrooms from the cafeteria.

### Lunch

***Food and drinks are to be consumed only in the cafeteria.*** Students are responsible for keeping the cafeteria clean at all times and disposing of trash properly. Students should also remain in the designated lunch areas at all times. Being outside of the designated areas will result in disciplinary action.

## **Parent / Teacher Communication (48 Hour Rule)**

All of LHS teachers are expected to maintain an open line of communication with student's parents/guardians. The most efficient means of communication is email. Each LHS teacher has a @rcschools.net email address that is checked daily. Parents/guardians wishing to email teachers may find their school email address on the [www.lhs.rcschools.net](http://www.lhs.rcschools.net) website.

If a parent/guardian email to an LHS faculty member does not receive a reply within **48 hours** from an LHS faculty member, that parent/guardian should resend the email and copy (Cc...) Mr. Ash's administrative assistant (Sherry DeYong) at [deyongs@rcschools.net](mailto:deyongs@rcschools.net). She will forward the email on to the correct administrator for response.

## **Automobiles and Parking**

Students driving to school must obtain a parking permit from the front office. Students, faculty and staff must park in the assigned parking spot. Besides regular traffic laws, the following rules are to be followed by student drivers:

1. All students who drive cars to school must have and display a school-parking permit. Cost of the permit is \$10. This is necessary for vehicle identification purposes.
2. No student will be allowed to drive away from school during school hours without permission from the office.
3. Students are to lock their cars when leaving them. The school is not responsible for lost or stolen articles or damage.
4. Do not block or park in any way to keep another vehicle from leaving. If parking becomes a problem, driving privileges may be denied.
5. No tardiness to school for car trouble will be excused.
6. Reckless driving may result in the loss of driving privileges.
7. Students are not allowed to fly flags of any kind while in the school parking lot.
8. Students are not allowed in parking lots during school hours unless they have permission from an administrator.
9. Senior parking lot will be on Chaney Road side of LHS. Sophomore and Junior parking will be the parking lot located on Wolverine Trail.

During the times of 8:00 am to 8:30a.m and 3:15 p.m. to 3:45 p.m. there should not be any traffic in the bus lanes on the Chaney Road side of the building. Parents should pick up students on the Wolverine Trail side of the building.

## **Speed Limit**

LHS is a closed campus. The campus is not to be used for public through traffic. The speed limit on the LHS campus is always 5 mph. Failure to abide by these rules may result in the towing of the vehicle involved and the forfeiture of all automobile privileges.

## **Visitors to Campus**

Ours is a closed campus. Visitors are not permitted except for official reasons approved by the principal's office. Students are not to bring guests to school, as our full-time efforts must be directed toward our own students.

Students from other high schools are welcome when they are representatives of their school. In this case, their principal or secretary should contact us in advance or send a written statement explaining their visit. Social visits are not allowed. LHS student visitors to another school will be expected to behave in a manner that is acceptable and extend their visit no longer than the time allowed for the visit. Trespassing is a crime and the offending party is subject to arrest.

# Medications and Emergency Medical Treatment

Medications – It is against the policy of the Rutherford County School Board and Tennessee State law for school personnel to provide or administer any kind of medication other than first aid to students. Only designated personnel may dispense medications. This includes aspirin in its various forms as well as over-the-counter drugs that do not contain aspirin but are intended to have the same remedial effects as aspirin. This policy is based upon the fact that some students (with or without their knowledge) are allergic to certain drugs and medications. Therefore, we must avoid any chance of accidentally aggravating any allergy and thereby possibly worsening a student’s condition or even, in extreme cases, creating a life-threatening situation.

Emergency Medical Services – In the event that a student requires an ambulance to be transported to the hospital emergency room from school, the school will call the ambulance only if we are unable to reach the parents and if the emergency appears to life-threatening in nature.
