Habit 2 — Begin with the End in Mind

Have a Plan

I plan ahead and set goals. I do things that have meaning and make a difference. I am an important part of my classroom and contribute to my school's mission and vision. I look for ways to be a good citizen.

Please take a moment to discuss with your child what beginning with the end in mind means to them. How are they using this habit in school? At home? In their community?

The Art Club

The idea is giving our kids an experience of interaction with art. We meet every Monday after school and finish at 5:00pm, so don't forget about a snack! For more details and updates check us out on MemberHub and Instagram. Parents that like to help during the class are more than welcome.

Our journey begins first Monday of February
Join The Art Club Hub!!!

Don't forget to provide some apron/old t shirt since there is a huge risk we get dirty!

The first workshop will take us on an unforgettable adventure around the globe.

Each week we are going to a different country to learn about different techniques from different artists.

This workshop lasts 6 weeks.

Around the World in Six Weeks

Each class will fill a new page in our amazing Artist's Passport!
We finish the workshop with a wonderful Art-Show.
Registration & Payment Details on MemberHub
The fee for supplies for all six weeks is 70\$.
