for best pricing and free shipping.**

Amerman Elementary offers the EduKit program as a convenient option for busy families to order school supplies for the 2019/2020 year. The Northville Council of PTAs in partnership with the middle and elementary schools are very excited about our school supply kit fundraiser ~ providing a convenient way for families to purchase school supplies for the coming school year. The school supply lists have been developed by the teachers in each grade, at each school. *

*Please note that the supply lists are simply suggestions of helpful items and are strictly voluntary, as Northville Public Schools provide the necessary supplies and materials for your child's successful school experience.

If you place your order before June 14, it will be delivered directly to your school before the first day of school. Extended ordering is available June 15 – August 8 for an additional fee and will be delivered to your home shortly before school begins.
