

Welcome Back to Gateway

I would like to take a moment and introduce myself as the new school nurse for Gateway. My name is Tara Weaver and I am looking forward to a wonderful first year at GLS. I am available via phone or email. Please feel free to reach out with any questions and concerns. I am here to better help and care for your children and want to encourage communication! Tara.Weaver@gls.k12.de.us is my email for the school. I check often! This is a fast way of communication for me because it allows me to answer your questions sooner.

A few Reminders to start the year:

1. If your child takes medication (daily or for emergencies) please bring that in for this year and sign paperwork. I cannot give any medications unless I have the proper documentation and the appropriate medications.
2. Certain medications require action plans. Please send in action plans with all inhalers and emergency medications.
3. Emergency Cards are coming home today. Please look in backpacks and fill out paperwork and return it as soon as possible. The first class to get all Emergency Cards handed back in will get a **Dress Down Day! (logo wear and jeans)**
4. General Healthcare for Everyone: Eat healthy, wash hands often and get sleep!!!

Thank you for all your help and communication. The more I know, the better I can assist in your child's care and wellbeing.

Warm Regards,

Tara Weaver R.N. BSN
