E. Mrs. Mattox requested that the Governing Board approve the changes to the Winslow Unified School District position description for Coach. It was brought to Mrs. Mattox’s attention that we currently have two coaches

that are not certified, and do not have a bachelor's degree. A certified head coach resigned at the end of last school year. When trying to hire for the coach position, the existing position description required that the coach be a certified staff member. Mrs. Hendricks, Athletics Director, researched the requirements through the AIA and discovered it is not a requirement for the AIA that a coach be a certified staff member. Hence, the revision to the current position description.

Mrs. Mattox added verbiage for desired qualifications to include a teaching certificate for head coaching. She also added in the minimum qualifications that an applicant have Level 1 Certification from www.nfhslearn.org, which includes functions of coaching, first aid/CPR, and sport specific course or teaching sport skills if sport is not offered. These additions were taken from AIA requirements for head coach.

Mr. Hartnett make a motion to revise the position description for Coach for the Winslow Unified School District No. 1 as presented. Mrs. Montoya seconded the motion. A vote was taken, with members present voting "aye." The motion carried.

- F. Mrs. Mattox requested that the Governing Board approve to a request from Ms. Debra Lopez, Principal, to increase the extracurricular fees at the Jr. High. The current fee is \$25 and the requested increase would raise it to \$40.

Ms. Lopez shared with the Governing Board the amounts that surrounding area schools charge for extracurricular fees per sport at the Jr. High level. Snowflake charges \$20, Joseph City charges \$15, Show Low charges \$75. The Jr. High will give the parent/guardian a tax credit donation receipt when the fees are paid.

Ms. Lopez went on to share the costs of participation at the city level including soccer, youth football, your cheer, baseball/softball, and basketball. The city charges more to participate then the Jr. High.

Ms. Lopez also shared the costs involved such as paying referees, scorekeepers, and gate admissions. Those that are not school employees are paid with a check. School employees are paid on a timesheet, both of which are charged back to the general athletic fund at the Jr. High.

Ms. Lopez stated that there could be a \$100 cap on families if they have a four sport player – a savings of \$20. In previous years, if a student played four sports the cost would have been \$100. She also mentioned that track season is short, so the Jr. High may charge \$30 for that sport.

Mr. Hartnett asked if she could have all the options available for the next board meeting on July 25, 2019. Ms. Lopez will provide that information to the district office for next meeting.

Mr. Troy McReynolds, Bonnie Brennan Principal, shared that there is a group of community members that are willing to cover costs for students that cannot afford the fees and equipment. Ms. Lopez shared that no student is ever turned away if they are unable to pay. The Jr. High has scholarships available for both full and partial amounts to help out.

Mrs. Montoya asked if a Booster Club would be advantageous. Ms. Lopez shared that it is very difficult to get people to step up and be proactive in being in charge of such a club.

A motion was made by Mr. Hartnett to table this request until additional information is provided. Mrs. Montoya seconded the motion. A vote was taken and members present voted "aye." The motion carried.

- G. Mrs. Mattox requested that the Governing Board review the arguments for support of the override election on November 5, 2019. This will be a continuance of the M & O budge for the 2020-2021 school year, and six years following.

Mrs. Mattox explained that the arguments in favor of the override were taken from the previous election. She added specifics such as all day kindergarten.

Mrs. Greenwood appreciates the brief statement in favor of the override and that this is not going to increase current taxes. Mrs. Ervien agreed.

Mrs. Montoya asked if there will be meetings to inform the public. Mrs. Mattox Stated that we will have a public information meeting. Mrs. Montoya stated it would be a good idea to bold or underline the statement about taxes not being increased. Mrs. Greenwood also recommended emphasizes that this is not a new tax. Mrs. Lomeli indicated that while it should not increase taxes, if the value increases on a property, the owner might see an increase in their taxes.

Mrs. Montoya stated in needs to be clear that it is a continuing tax, not an increase of taxes. The previous override barely passed, as the public wasn't given clear direction.

Mr. Hartnett agrees that informing the public as much as possible in months prior to election is very important.

A motion was made by Mrs. Montoya to approve the arguments for the override. Mr. Hartnett seconded the motion. All members present voted "aye" and the motion carried.

- H. Mrs. Mattox requested that the Governing Board approve changes to the start and end times for the schools due to our district having a shortage of bus drivers and the need to combine routes. The high school and Jr. High will move 15 minutes earlier and the elementary school will start 15 minutes later, with their times staggered 10 minutes.

Mr. Jack Hanno, Transportation Supervisor, explained the reasoning behind the changes. The shortage of drivers makes it difficult to meet the previous times.

Mrs. Mattox shared that the bus driver shortage is being felt all over the state. Mr. Hartnett asked what the start and end times will be for each school:

Bonnie Brennan	Start 9:00	End 3:25
Jefferson	Start 9:10	End 3:40
Washington	Start 9:20	End 3:50
Jr. High	Start 7:30	End 2:20
High School	Start 7:25	End 2:25

This information will be in the handbook for each school. It will also get out to the public via social media. Mr. Hanno indicated the bus stop schedules will be provided to the schools next week.

Mr. Hartnett made a motion to approve the time changes for the schools due to a bus driver shortage. Mrs. Montoya seconded the motion. All members present voted "aye." Motion carried.

- I. Mrs. Mattox requested that the Governing Board approved the intergovernmental agreement (IGA) with Navajo County Community College District (NCCCD) for dual enrollment for the 2019-2020 school year as presented. This is a routine, annual procedure.

A motion was made by Mrs. Montoya to approve the IGA with the NCCCD as presented. Mr. Hartnett seconded the motion. All present voted "aye" and the motion carried.

C. Board President's Report:

Mrs. Greenwood expressed the importance of the dual enrollment program for the students in the district.
