

♥ Welcome to Kindergarten

Dear Sabattus Primary Kindergarten Families:

Schools traditionally send letters home that include a list of supplies that you could purchase for your son/daughter over the summer. Some parents have felt that these items were mandatory and, at some expense, went out and purchased every item on the list. This can be a hardship for some families. Please know that the RSU will provide your child with supply items that he/she needs to accomplish the tasks required of them.

Historically, we know that some parents and students like to go "back to school" shopping. It is a tradition with some families. The following is a list of items that would be useful for your child to have:

- 3 boxes of **Crayola** crayons (24 count)
- 8-12 Elmers glue sticks
- 2 **plastic**, 3-prong folder
- Small container of PlayDough
- 1 box of **Crayola** Markers
- 1 package of black dry erase markers
- 1 **small** plastic pencil box (no zipper pouches please)
- Sturdy backpack (without wheels)
- Sneakers for gym
- **The following items will be shared within Kindergarten**
- Mrs. Dycio: 1 box of gallon sized baggies, 1 box of bandaids
- Miss. Ellis: 1 box of plastic spoons, 1 package of white index cards
- Mrs. Spencer: paper plates, 1 box of snack size baggies

Please do not send in any supplies that are not listed above as we have limited storage space and the items will be returned home. Some examples of unneeded items are pencils, rulers, pencil sharpeners, markers and colored pencils.

Thank you for your cooperation!
K SPS Teachers

Important Dates to Remember:

August 27th (5p-6p) - Open House at SPS August 28th - First Day of School
