# Memorandum

**To:** All Staff  
**From:** Dr. Joseph R. Castilleja, Superintendent   
**Date:** March 5, 2020  
**Re:** Travel Restriction

---

We are putting in place a school related travel restriction as follows:

*"Until further notice, all travel outside of Yakima and Benton Counties must have Superintendent Approval"*

This restriction is in place due to concerns with the Coronavirus. At this time, our area is still considered to be at low risk. This restriction is a preventative measure and should not cause additional alarm.

We thank you for cooperation and understanding as we keep the safety of our students, staff, and community our focus.
