

# HOW TO NAVIGATE TO EDUCATIONAL SCHOOL SITES

Parents: The following instructions serve to provide your family with instructions on how to access our online programs from home. We hope you find this information useful.

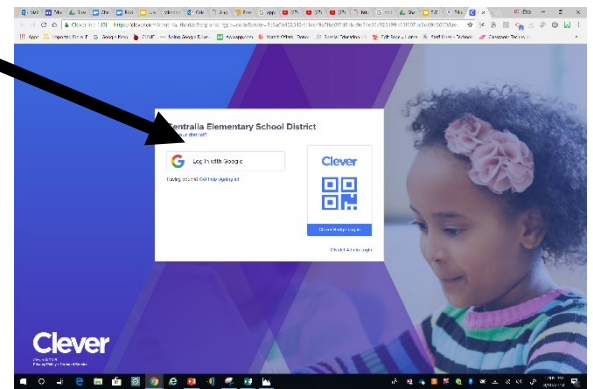

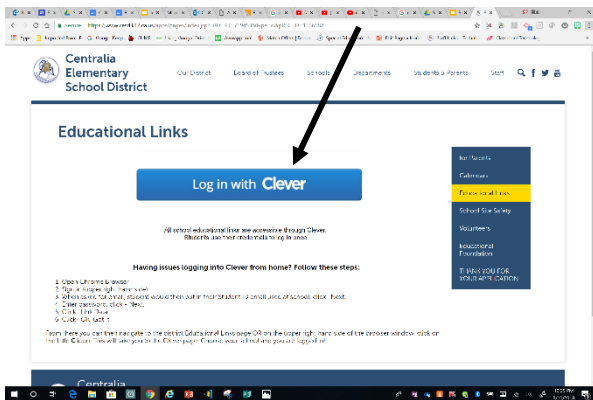

Navigate to your school's homepage.

Click on the "Student & Parent" tab then click on "Educational Links".

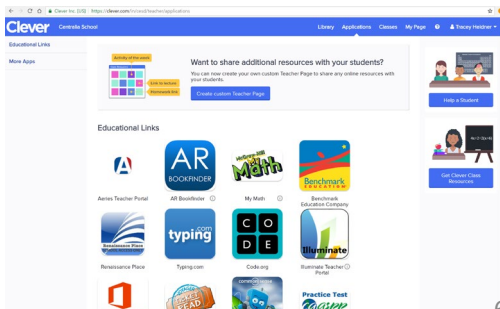

**OR** visit  
[www.clever.com/in/cesd](http://www.clever.com/in/cesd)

Then click "Log in with Clever"  
Click "Log in with Google"

If this is the first time they have logged in at home they will be asked to input their username and password. If your child does not remember theirs you will have to ask their teacher for it.

You will then be directed to this page which your child can click on the tiles to access educational resources.
