

Martell Family Bike Ride

Please join us Saturday, September 1 at 9:30 am for our first Martell Family Bike Ride of the season!

We will meet and park at the Rochester Public Library to ride the Paint Creek Trail. **Parents must ride with their children.** We will ride the Paint Creek Trail (crushed limestone) north about five miles to the Paint Creek Cider Mill and then back to the library. We all leave together at the same time, but families can ride at their own pace and head back whenever they choose (You do not have to ride the whole 5 miles out). Make sure you bring your helmet and a water bottle. There is a restroom at the cider mill (along with lite snacks so bring \$\$).

Please join us for this Martell Family fun and healthy event!

For more information on the Paint Creek Trail, check out the link below.
