School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Welcome to the School Accountability Report Card for Fanning Elementary. The purpose of the School Accountability Report Card is to provide parents with information about Fanning Elementary's instructional programs, school-wide achievements, instructional materials, campus safety, and teaching staff. Information about Brea Olinda Unified School District is also provided to further illustrate the organizational relationships and collaborative efforts among school staff and District administration.

School Profile

Welcome to Fanning Elementary! Fanning Elementary School opened in November 1970 with an innovative open classroom design. Leonard McKain served as the founding principal and was the inspiration behind its design. Although it has been modernized to comply with accessibility laws, Fanning has remained an open design school. Fanning's main building was reconstructed after the 2014 earthquake and opened in May of 2015 after being relocated at Laurel Elementary. Fanning teachers are a group of dedicated educators who proving a thriving environment for all students. Due to the community learning environment that our POD classrooms provide, our staff works collaboratively to ensure the safety and growth of all students. Teachers continue to learn as educators by attending multiple professional development such as the CUE conference, PBIS training, Math workshops and STEM workshops. Fanning staff are committed to providing a California standards-based curriculum as well as preparing students for the 21st Century. We have made a commitment to provide the best educational program possible for our students. The excellent quality of our program is a reflection of our highly committed staff. We are dedicated to ensuring that Fanning Elementary is a welcoming, stimulating environment where students are actively involved in learning academics as well as positive values. Parents and community play a very important role in the school. Understanding the school's educational program, academic expectations, and instructional goals can assist both school and community in ongoing program improvement. With school staff and parents working together, our students will be challenged to reach their maximum potential.

School Mission and Vision

"Preparing children for their tomorrows" is the Fanning Falcon motto. The staff at Fanning Elementary School believes all students can learn and achieve. It is our vision to develop responsible citizens who are lifelong learners that value diversity and embrace community service. Fanning Elementary will prepare students for the 21st Century by engaging all learners in meaningful learning experiences that meet the highest educational and ethical standards in a caring, collaborative community supported through partnerships with families, businesses, civic organizations, and higher education. Fanning Elementary believes this can be accomplished in a spirit of collaboration and cooperation among staff, students, parents and community.

Fanning Falcons are a community of life-long learners who strive for excellence and SOAR for Success.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: October 2018

Brea Olinda Unified School District held a Public Hearing on Oct. 10, 2018, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Standards and Frameworks and have been approved by the Board of Education. All textbooks from core curricular areas for grades K-8 were selected from the most recent list of standards based materials adopted by the State Board of Education (SBE) and are consistent with the content and cycles of the curriculum frameworks adopted by the SBE.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements (Most Recent Year)

At Fanning Elementary students feel comfortable and safe when on school grounds before, during and after school. Staff maintains safety and they supervise all areas in the school before and after school. The playground sufficiently provides play areas for students with the assistance of staggered scheduling to facilitate efficient usage of playground. To ensure optimal learning opportunities, faculty and staff coordinate classroom facility usage to include flexible grouping and intervention instruction with the use of PODs in each grade level. The district takes great efforts to ensure that all schools are clean, safe, and functional.

Fanning has 24 classrooms, a media center/library, computer lab, main office with a staff lounge, adult restrooms, teacher workroom and health office. During the year of 2014-15 the school had a major renovation due to earthquake damage. Most of the classrooms were remodeled in the main building of the school.

Safety concerns are the number one priority of the Facilities and Maintenance department of BOUSD. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. As of January 2017, none of the eight emergency conditions cited in Education Code 17592.72 exist at the school. Current Facilities Inspection was completed in January 2018 with the Assistant Superintendent of Business Services and the Principal.

The District governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the District office and fulfilled by our full-time day and night custodians. The Principal works with the custodial staff to develop cleaning schedules to insure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	68	67	66	66	48	48
Mathematics (grades 3-8 and 11)	62	66	58	61	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	276	273	98.91	67.4
Male	148	146	98.65	62.33
Female	128	127	99.22	73.23

Socioeconomically Disadvantaged	76	75	98.68	46.67
English Learners	50	48	96	72.92
Students with Disabilities	35	33	94.29	18.18

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	85	76	80	76	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	24.2	22.7	15.2

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents and the community are very supportive of the educational program at Fanning Elementary. We have an active PTA and School Site Council. Many parents serve on committees for our PTA and volunteer in our classrooms. Family, school, district, and community resources available to assist all students include:

- Character Counts character education program
- PBIS Positive Behavior Interventions and Supports
- Staff Appreciation
- Trimester awards ceremony for 4-6th grades (Honor Roll, Honorable Mention, Citizenship)
- Student Council
- Monthly school-wide flag ceremonies
- PTA/Parent Teacher Association Events & Activities
- School Site Council
- English Learner Advisory Council
- District Spelling Bee Participation
- District Track Meet
- Monthly Principal's Awards
- Student Study Team
- Service Learning
- GATE resources and conferences
- Special Events and Assemblies
- Art Masters Program
- Response to Intervention Program
- Special Events and Assemblies
- BEST Track Meet
- Read Across America
- Classroom Parties
- After school enrichment programs such as Chess Masters/Lady IT
- After school tutoring

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	1.0	2.5	1.9	1.7	2.0	2.3	3.8	3.7	3.6
Expulsions	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

Many people visit the campus to volunteer in the classroom and participate in school events. Parents and visitors are welcomed and required to check in at the school office upon arrival and obtain a visitor's badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, assigned staff members supervise students and school grounds to ensure a safe and orderly environment. Fanning is a PBIS school which stands for Positive Behavior Interventions and Supports focusing on progressive and positive discipline.

The Comprehensive Safe School Plan was developed by the District to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Each fall, the School Site Council approves this plan.

At the beginning of the new school year students and parents receive a Parent/Student Handbook . It includes safety guidelines for ingress/egress, playground safety and unique campus conditions. Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Safe School Plan, are reviewed with school and district staff in the fall, at the start of each school year. The plan provides students and staff a means of ensuring a safe and orderly learning environment.

Professional Development (Most Recent Three Years)

All curriculum development by Fanning Elementary and Brea Olinda Unified School District is aligned to the California Standards and school's Single Plan for Student Achievement. At the District level, a team specializing in curriculum and instruction development identifies where and why students are not meeting proficiency levels and develops a plan to increase achievement in identified areas. After District goals and expectations are set, this team reaches out to schools through needs assessment surveys regarding individual school concerns and needs. Using results from the survey, combined with data analysis from standardized tests and District assessments, the committee creates a plan that is implemented at all schools. The District is also utilizing our four Teachers on Special Assignment (TOSAs) to support teachers in their 21st-century environments.

Data is used to guide professional development at both the district and site level. Data used includes CAASPP scores, district benchmark assessments and interim formative assessments, and site based measures. Stakeholders also provide input into areas of need for professional development through staff meetings, School Site Council meetings, ELAC and PTA meetings.

District specialists and school leadership teams reviewed and updated achievement plans using student assessment data (CAASPP testing and District assessment results) and survey responses. Findings were used to choose staff development workshops for District-wide implementation and supplemental school-level activities. District staff development days are held in addition to District and school-sponsored in-services and workshops.

Fanning Elementary School staff participated in the following training activities held during the past three school years:

- Benchmark Advance English Language Arts
- ELPAC Training
- Math Enrichment Professional Development
- Step Up to Writing training
- ELD Training (B.E.L.I.E.F.)
- Go Math training
- Google Applications for Education training
- PBIS/ Positive Behavior Interventions & Supports
- CUE Conference attendance
- Illuminated Ed In-service and Implementation
- Imagine Learning ELA program to support English Learners and struggling students
- School Messenger Website training
- School-Wide and Grade Level Professional Learning Communities
- District-Wide Grade Level Profession
- Grade level attendance at Curriculum Workshops offered by BOUSD
- PLC leadership meeting
- Horizontal and Vertical Grade Level Articulation
- Analysis of Student Performance and Grade Level Goals
