National Blue Ribbon School  
California Gold Ribbon School  
California Distinguished School

## School Profile 2018-19

7266 Alameda Avenue

Goleta, CA 93117

(805) 968-2541

(805) 968-2891 (fax)

Website: [dphs.sbunified.org](http://dphs.sbunified.org)

CEEB Code: 053252

**Principal:** Bill Woodard

**Assistant Principals:** Shannon Yorke,  
Diana Hemsley, Stephanie Henderson

**Counselors:** Rebecca Bucher, Yifat Cummings, Nancy Gomez  
Scott Guttentag, Silvina Pereira, Susie Stone

**Accredited by the Western Association of Schools & Colleges**

## SCHOOL AND COMMUNITY

Nestled between the mountains and the sea, west of Santa Barbara, Dos Pueblos High School was established in the Goleta Valley in 1966 and serves a diverse population of over 2,000 students in grades 9-12. The ethnic makeup of the student body is 45% Hispanic, 42% White, 9% Asian, 1% African American and 3% other. Approximately 750 or 36% of our students are identified as socio-economically disadvantaged.

DPHS enjoys the support of many individuals and parent organizations. Our PTSA is an active partner in building strong home and school communication, providing volunteers for school activities, and raising money for academics, athletics and activities on the Dos Pueblos campus. We also have a separate school site council that meets monthly to assist in the evaluation and financial support of our educational programs. Collaboration with the University of California Santa Barbara (UCSB), Westmont College and Santa Barbara City College (SBCC) provides active support for our students. DPHS supports college visits, works closely with local foundations for scholarships and loans, and utilizes local counseling and social services.

## CURRICULUM

A varied curriculum of academic and elective courses is available for students. Dos Pueblos offers 20 Advanced Placement (AP) courses in the following areas: American Government, Calculus, Chemistry, Computer Science, English, Economics, Environmental Science, French, Latin, Physics, Psychology, Spanish, Statistics, Studio Art, US History and World History. AP is an open enrollment program. Over 95% of our students enrolled in AP classes took one or more AP examinations. We also offer 19 International Baccalaureate (IB) courses in the subject areas of English, History, Math, Art, Biology, Spanish, Latin, French, Environmental Systems, Theory of Knowledge and Economics. We offer 10 Honors classes in English, Mathematics, Chemistry and the DP Engineering Academy (DPEA).

SBCC Dual Enrollment courses are also offered on the DP campus. These include Math 117 (Statistics), Math 150/160

(Calculus with Analytic Geometry), English 110/111 (Composition & Reading) and Economics 101/102 (Micro and Macroeconomics). We also have over 7 Dual Enrollment classes in Media including Film Production 160/165, Graphic Design GDP110/111 and Media Arts & Technology MAT 105/112/131 where students can become industry certified in media production.

Our internationally recognized Engineering Academy consists of over 100 students per grade level, approximately 400 students total. The DPEA provides highly motivated students with varying interests the opportunity to participate in a collaborative, project-based, rigorous curriculum.

We consider AP, IB and SBCC Dual Enrollment courses to be equally rigorous. We have roughly 100 Engineering Academy and 15 International Baccalaureate Diploma candidates graduate each year.

## STUDENT ACHIEVEMENT

Many students receive college credit based on AP and/or IB test results as well as earning college transferable units by attending SBCC and/or UCSB. The graduating class of 2018 earned over \$2 million in academic scholarships for postsecondary education. Other achievements for the year 2017-2018 included:

- 47 out of 50 (94%) of our 1st generation college-bound seniors in AVID were accepted to 4-year colleges and universities.
- Our internationally acclaimed Engineering Academy worked in collaboration with exhibit designers at both the Exploratorium in San Francisco and MOXI in Santa Barbara to create original, professional-quality, interactive exhibits that demonstrate physics phenomena. These exhibits were showcased in both museums and the DPEA Senior showcase at the Bay Area Maker Faire received 3 Editor's Choice Awards.
- In the 14 years of our IB Diploma Program, we have now reached over 160 full diploma candidates. Last year, 166 IB students took and passed 205 out of 246 specific subject exams (83% pass rate).

- The DP Yearbook continues to earn top rankings by Columbia Scholastic Press Association and National Scholastic Press Association as one of the top journalistic books in the country
- Our DP Economics Challenge team has won the state championships 13 out of the 17 past years (earning 2nd place the other years), qualified for the national semi-finals and are ranked 6th in the nation.
- At the Reno Jazz Festival, our Advanced Jazz Choir earned all Superior scores, as well as 3 soloist awards. DP was 1 of 8 high school vocal ensembles to compete at the Next Generation Monterey Jazz Festival (and received all superior scores).
- We won 9 Channel League team championships with 15 of our 24 teams qualifying for CIF playoffs.
- 5 teams were CIF finalists and the girls' lacrosse team won the US Lacrosse Div 2 Championship.
- 25 athletes representing 10 different sports are continuing their sport at the college-level.
- 3 National Hispanic Recognition Program students
- 8 National Merit Semi-Finalists
- 2 National Merit winners in 2017-18

Math	24.7	22.7
Reading	24.5	23.1
Science	23.6	22.2
Composite	24.3	22.8

## GRADING SYSTEM

<b>A</b>	Excellent	<b>F</b>	Failing
<b>B</b>	Above Average	<b>I</b>	Incomplete
<b>C</b>	Average	<b>CR</b>	Credit
<b>D</b>	Below Average	<b>NC</b>	No Credit

## TRANSCRIPT

- “+” or “a” designates an Honors, SBCC Dual Enrollment, Advanced Placement or International Baccalaureate class and is used in computing the weighted GPA and rank.
- “R” indicates a repeated class for no credit
- “P” indicates a college preparatory class

## GRADUATION REQUIREMENTS

- English 4 years
- Mathematics 3 years
- Science 2 years
- Social Studies 3 years
- Visual/Performing Arts or Foreign Language 1 year
- English, Math, Science, Social Studies, Visual/Performing Arts, Foreign Language, Career Technical Education or Technology Education 2 years
- Physical Education 2 years
- Health Education 1 semester
- Additional Elective Courses 4.5 years

60 hours of Community Service are required.

## HIGHER EDUCATION

Our Class of 2018 students enrolled in institutions of higher learning as follows:

4 Year Colleges	39%
2 Year Colleges	50%
Work/Military/Other	11%

Because our local community college, Santa Barbara City College, now offers its SBCC Promise program (which provides two years of free tuition, books and required materials), we have had an increased number of students opting for SBCC as their post-secondary option.

## GPA/CLASS RANK

The DPHS transcript shows two types of GPA calculations. The Total GPA includes grades from 9-12 and includes all classes. The Academic GPA is also from grades 9-12 and excludes sports and PE grades. Both GPAs have a weighted and unweighted calculation. We only rank during the 12th grade year, and use the weighted Academic 9-12 GPA.

## ADVANCED PLACEMENT/IB RESULTS

- In May 2018, 487 students took AP exams
- 745 exams were taken in 26 different subjects
- 72% of the AP exams scored a 3 or higher
- 166 IB students took and passed 205 out of 246 specific subject exams (83% pass rate)

## SAT SCORES

The table below shows the mean evidence-based reading and writing scores and mean math SAT scores of Dos Pueblos students for the class of 2018 since the redesigned SAT. Over 54% of DP juniors and seniors take the test.

Class of 2019	DPHS	USA (2017)
Mean Evidence-Based Reading and Writing	593	556
Mean Math	606	561

## ACT SCORES 2016-17

188 students took the ACT in 2016-17.

Class of 2018	DPHS	State
English	24.0	22.5
