

SCHOOL CLOSING & EMERGENCY ANNOUNCEMENTS

Check your Parent PlusPortals and our school website pop-alerts for messages.

If you have not downloaded Parent PlusPortals, please contact Wilda Esponda at registrar@caribbeanschool.org as soon as possible for instructions.

The School will contact radio stations to report school closing. Tune in to:

*WPAB 550 AM or
WEUC 88.9 FM/420 AM (Catolica Radio)*

The school will utilize the phone messaging system using PlusPortals and send an alert message to each parent who has downloaded PlusPortals.

If the Government (*Department of Education of Puerto Rico*) calls off school, Caribbean School will also close; unless otherwise instructed.

Hints: Don't forget to prepare a 10-day supply kit with essentials. Agree with your family about a meeting place in case family members are separated from one another in a sudden emergency.
