6:34	<p>Approval of September meeting Minutes</p> <p>James reviewed minutes from previous Meeting. John Motioned to Approve Minutes, Trever seconded.</p>
	<p>Trainings for Community Council happening three times in the next month. Statewide Trainings, 2 in October 1 in November.</p>
6:40	<p>Digital Citizenship</p> <p>Viewed YouTube Video about Digital Citizenship by Sherry Luna</p> <p>As a school we use a lot of different firewalls and protections for students. We can use Community Council Money to improve digital citizenship. We will use this information later as we make plans for future</p>
6:47	<p>Evaluate data from our school</p> <p>Time given to Mrs. Sagers to review/evaluate data from our school.</p> <p>Since 2017 we have shown growth in SAGE in ELA, Mathematics, and Science. John asked what some of driving changes were:</p> <ul style="list-style-type: none"> • Aide Time • Comfort with assessments • Changing testing environment to less stress. • Encouraging students to take the test without opting out and decrease the anxiety • Parent education about what/how we use SAGE <p>DIBELS Composite Scores- Huge growth in Kindergarten</p>

	<ul style="list-style-type: none"> • 1st grade 120-170 • 2nd Grade 176-274 • 3rd Grade 246-381 • 4th Grade 322-449 • 5th Grade 405-510 • 6th Grade 413-467
6:56	<p>Karie Atkinson- Discuss Dyslexia training. As a school district we are using SPIRE intervention. If we are interested in looking for a new Dyslexia intervention program we may be able to use; Copper Canyon, Willow, Rose Springs Elementaries to see how the program works. The District is paying for training for those schools, so if we can jump in there could be some cost saving benefit there.</p> <p>Our Reading Horizons is a Tier II intervention, so if we need to look for a tier III intervention SPIRE could be a powerful tool.</p> <p>Karie discussed the possibilities for trainings come to our school. We do have a few people in our school</p> <p>Trever’s Math states that to pay a Trainer around \$50.00/hour plus the kits on Amazon would cost around \$3,000.00</p> <p>Mrs. Sagers will explore the feasibility of a plan including SPIRE for future use.</p> <p>PAW (Plan Achieve Win) How aides are being utilized right now. 40 minutes per hall left to teachers to plan.</p>
7:13	<p>Mrs. Sagers reviewed “2018-2019 Principal Assurance”</p> <ul style="list-style-type: none"> • We will provide copies, if requested, of our plans • We will post notification of meetings in the school on every entrance to notify parents of upcoming meetings. • We will hold Digital Citizenship training. • We notified parents of upcoming elections through Back to School night and invited parents to join <p>We spent more money on computers than we had originally budgeted for Technology, but we had money leftover that had been allotted for profess</p>
7:15	<p>Identify Critical Needs</p> <ul style="list-style-type: none"> • What is in place to help DLI students prepare for the EOY testing. In the past, students have struggled when they have been given SAGE in English even though the instruction was given in Spanish
7:20	<ul style="list-style-type: none"> • Next meeting will be held on November 12th • We will review teachers Community Council Requests • We will review the 90-day plan
