

Lake Park School 'Minute to Win It' promotes learning, fun

On Friday, Lake Park School students had some fun taking part as the PBIS (Positive Behavior Interventions and Supports) team held a 'Minute to Win It' celebration. The event showcased representatives from each classroom who competed in fun, minute-long challenges against other students at their grade level. Principals for the Day- 4th grader Esteban Cantu and 3rd grad-

er Giselle Jaimes- presided over this event.

Competitors and the Principals for the Day were selected by lottery, having earned the opportunity to participate by exhibiting good behavior, showing learning progress or being recommended by a teacher. The student principals also competed with their teachers in the staff's 'Minute to Win It' challenge.

Lake Park School Principal Dave Smogor thanks Giselle Jaimes and Esteban Cantu for serving as Principals for the Day during the "Minute to Win It" celebration held on Friday, Jan. 19.
