

Graduation Requirements

All students in grades 9-12 must meet the graduation requirements set forth by the state of Pennsylvania. In addition to state requirements, students in grades 9-12 must pass a minimum of 24 total credits and a minimum of 4 credits in each of the following core subject courses:

1. Four years/credits of English
2. Four years/credits of Mathematics
3. Four years/credits of Science
4. Four years/credits of Social Studies/History
5. Four years/credits of Physical Education
6. One half year/credit of a Family Consumer Science (or related course)
7. One half year/credit of Computer Literacy (or related course)
8. One half year/credit of Health (or related course)

Students who attend the Indiana County Technology Center will earn 3 full elective credits for each successful year of completion.

Students who attend the Indiana County Technology Center or who have an Individualized Education Program/Gifted Individualized Education Program may be subject to alternative graduation requirements.
